Jun Fan, Jeet Kune Do Chris Kent, Tim Tackett, 1988 **Bruce Lee** Matthew Polly, 2019-06-04 The definitive The New York Times biography of film legend Bruce Lee who made martial arts a global phenomenon bridged the divide between eastern and western cultures and smashed long held stereotypes of Asians and Asian Americans Forty five years after Bruce Lee s sudden death at age thirty two journalist and bestselling author Matthew Polly has written the definitive account of Lee s life It s also one of the only accounts incredibly there has never been an authoritative biography of Lee Following a decade

of research that included conducting more than one hundred interviews with Lee's family, friends, business associates and even the actress in whose bed Lee died. Polly has constructed a complex, humane portrait of the icon. Polly explores Lee's early years as a child star in Hong Kong cinema, his actor father's struggles with opium addiction and how that turned Bruce into a troublemaking teenager who was kicked out of high school and eventually sent to America to shape up his beginnings as a martial arts teacher, eventually becoming a personal instructor to movie stars like James Coburn and Steve McQueen. His struggles as an Asian American actor in Hollywood and frustration seeing role after role he auditioned for go to a white actor in eye makeup, his eventual triumph as a leading man, his challenges juggling a sky-rocketing career with his duties as a father and husband and his shocking end that to this day is still shrouded in mystery. Polly breaks down the myths surrounding Bruce Lee and argues that contrary to popular belief, he was an ambitious actor who was obsessed with the martial arts, not a kung fu guru who just so happened to make a couple of movies. This is an honest, revealing look at an impressive yet imperfect man whose personal story was even more entertaining and inspiring than any fictional role he played onscreen.
