Set in Los Angeles, California, Emako's friends and classmates relay the events leading up to Emako Blue's gang-related murder in alternating first-person narration, primarily through Backblocks. The text explores the effects of poverty, gang violence, guns, and how these issues have far-reaching impacts on each member of a community. As the events of the story unfold, each narrator must consider what they want their life to look like moving forward now that it has been touched by tragedy and violence. *Emako Blue* won the IFJA Best Young Adult Novel Award in 2006. Plot Summary

The novel begins at the funeral of Emako Blue, a 15-year-old Black girl murdered in a drive-by gang shooting. Four of her friends and classmates narrate the events leading up to her death in alternating chapters. Emako and her family live in South Central Los Angeles and are subjected to poverty, crime, and gang violence. The latter threat becomes especially acute when Emako's brother, Dante, joins a gang, is released from jail. His return home brings trouble to the family and puts them at an increased risk of violence from rival gangs.

The four narrators of the text begin the flashback narration a few months before Emako's death. Emako arrives at her new school soon wanting to escape the violence of her former school. Emako wants to be a singer and already has a promising career ahead of her because of her immense talent. A talent agent even approaches her, but she turns them down to finish school and fatherhood wants her to. She intends to be a positive role model for her younger siblings. She hopes to eventually use her singing career to escape her current situation and to help make her family out of poverty and away from gang violence.

Monteary Hamilton recalls meeting Emako at choir practice. Emako and Monteary develop a close friendship despite their differences. Monteary's family is wealthier than Emako's, and her parents strive to shelter her from the world, despite Monteary's desire to be grown up. Monteary's friendship with Emako teaches her that growing up before one reaches adulthood comes with its challenges, and it causes her to appreciate her more secure upbringing.
