

An aerial photograph showing a significant flood event. A wide, muddy brown river flows through the center of the image. To the left of the river, there is a line of green trees. To the right, there are green agricultural fields. In the middle ground, a cluster of buildings, including a large white structure with a curved roof, is partially submerged in the floodwater. A road or path runs horizontally across the upper middle of the image, crossing the river. The overall scene depicts a rural area affected by flooding.
