Salay,2010-12 I have been dealing and supervising the game of craps in major casino s across this country for over 25 years now I have noticed that the reason people do not play craps is because they are intimidated by the game s complexity I have broken down the game bet by bet and explain how each bet will win and lose Individually And why You will learn table etiquette and be able to attack the game at your speed and avoid any embarrassment that may be holding you back from playing This is a game you will thoroughly enjoy playing And its not as hard as you might think **How to Play Craps** Travis Carpagio,2015-06-08 The craps table is often the most prominent installment in the casino It s big it s fun and the players are generally pretty loud as they cheer with excitement Usually manned by four casino staff members known as the boxman the stickman and two dealers a craps table is busy as it hosts a swarm of simultaneous activity Although it s clear that the craps table is an enticing place to be the actual layout of the available bets and betting combinations on the table may alarm newbies with its apparent complexity Craps has the largest variety of betting options among all other casino games And since craps also hosts the largest number of betting decisions per hour the craps table is usually stocked with the largest bankroll you ll find in the casino The good news is this Even if the craps table looks intimidating the game is in reality actually quite simple and this book is going to explain everything you need to know in an easy to understand way In fact if you stick to specific types of bets in craps while avoiding the others then you ll end up with the best gambling odds available in the entire casino The important thing to remember is that the craps table is swarming with bad betting options so it s critical that you know what to play and when This book provides a step by step breakdown of the game including the basic rules and playing sequence so that newcomers such as yourself will feel completely at home at the craps table You ll learn the meaning of all the fancy craps terminology you ll get to know the best bets and you ll learn lots of other craps strategies along the way
