Project Reports of the National Institute of Law Enforcement and Criminal Justice, 1970 **Entrepreneurship Development** S. Anil Kumar, 2008 This book presents a lucid treatment of a wide range of issues involved in the development of entrepreneurship. It presents an insight into the identification of business opportunities, creating a venture and financing and managing it. The book further explains the choice of technology and equipment, man-machine and materials management, PERT and CPM and quality assurance. The book highlights the various legal provisions relevant to entrepreneurship and concludes with a chapter on social responsibility and business ethics. With its wide coverage and step-by-step approach, the book would serve as an ideal text for various undergraduate courses on the subject, including B.Com, B.A. and B.Sc. Vocational, Bio-Technology, B.B.M., M.B.A. and for the entrepreneurs. Entrepreneurship Development Dr. Santanu Kumar Das, **Entrepreneurship Development and Startups Management** Nitin

Zaware, 2019-01-30 For achieving sustained industrial development, regional growth and employment generation have always depended on entrepreneurial development. Start-up India is a flagship initiative of the Government of India intended to build a strong eco-system for nurturing innovation and start-ups in the country that will drive sustainable economic growth and generate large-scale employment opportunities. Young Indians today have the conviction to venture out on their own and a conducive ecosystem lets them watch their ideas come to life. The Government through this initiative aims to empower start-ups to grow through innovation and design. The Government of India has taken various measures to improve the ease of doing business and is also building an exciting and enabling environment for these start-ups with the launch of the Start-up India movement. In today's environment, we have more start-ups and entrepreneurs than ever before, and the movement is at the cusp of a revolution. However, many start-ups do not reach their full potential due to limited guidance and access. This book would be useful for upcoming entrepreneurs as it gives insight into identifying opportunities, creating and starting venture financing and managing the venture. **Entrepreneurship and Small Business** Mr. Rohit Manglik, 2024-04-27 EduGorilla Publication is a trusted name in the education sector committed to empowering learners with high-quality study materials and resources.
