Texto A

De veraneo en Sierra Nevada

Senderismo, bici, música, astronomía o campamentos infantiles son algunas de las actividades que ofrece la estación hasta el 3 de septiembre.

Sierra Nevada es un lugar ideal para los amantes de la alta montaña, los deportes y el descanso y se puede disfrutar de esta región durante todo el año. En invierno se puede disfrutar de deportes como el esquí, pero en verano, Sierra Nevada pierde su manto blanco de nieve y se transforma en un destino turístico fascinante. Hasta el mes de septiembre, la estación abre

sus puertas para desarrollar una serie de actividades recreativas. Por ejemplo naturaleza, astronomía, gastronomía, parque infantil, música al aire libre y, por supuesto, deportes.

Visitar las montañas en verano no es tan complicado como en invierno, ya que la estación comienza a poner en marcha el telesilla Veleta y lleva a los visitantes hasta la cima. Todo es mucho más sencillo, especialmente porque no es necesario usar los esquís y se puede usar ropa ligera.

Mientras que deslizarse por la nieve en esquís requiere cierta agilidad y habilidad, en verano la montaña ofrece senderos aptos para cualquier persona. La mejor opción es recomerla con visitas guiadas que son organizadas por expertos. Ellos te mostrarán los mejores lugares, te ayudarán a conocer el entorno, observar su singular belleza, y aprender sobre el hábitat y la geología. Hay seis senderos para elegir con una longitud de entre uno y cuatro kilómetros.
