

Case report

A Case of Above Knee Amputation with Preoperative High Risks

Hiroki Kinugawa and Yasuyuki Shimada

Department of Cardiovascular Surgery, Yuri-Kumiai General Hospital, Japan

Abstract

An 85-year-old malnourished man was admitted with ischemia-induced necrosis of the right leg and high-risk factors, including chronic obstructive pulmonary disease, pneumonia, and infection of the necrotic leg. We controlled the infection and provided proper nutrition. Using light general anesthesia and a nerve block, we amputated the leg above the knee. The patient could eat and drink the same day following the surgery, and respiratory rehabilitation was begun the next day. His postoperative course was uneventful. Our case suggests that maintenance of good nutrition may play a key role for high-risk elders undergoing leg amputation.

Key words : leg, amputation, elder, risk, nutrition

(J Rural Med 2014; 9(2): 90–92)

Introduction

Major lower extremity amputations are associated with considerable morbidity and mortality¹⁾. Most older patients who lose a leg have vascular problems commonly associated with systemic arterial sclerosis or diabetes mellitus (DM), and most have ischemic heart disease, stroke, or renal failure due to their basic disease^{2–5)}. In addition, they may have leg ischemia, chronic obstructive pulmonary disease, or infection of an ischemic ulcer of the leg⁶⁾.

We performed an above-knee amputation on an 85-year-old man who had an ischemic right leg with necrosis to the ankle. He had chronic obstructive pulmonary disease (COPD) and pneumonia and was poorly nourished and emaciated. Based on previous reports^{1–5)}, we expected serious complications and possibly death. Because we were

concerned that poor nutrition might mediate pneumonia and infection of the wound, we made a great effort to provide good nutrition, and we obtained a good result.

Case Report

An 85-year-old malnourished man with necrosis of the right leg due to arteriosclerosis bliterans was admitted to our affiliated hospital. He had pneumonia with a fever of 38.8°C, and the necrotic leg was infected. We administered antibiotics for his pneumonia and diclofenac sodium for his leg pain, keeping the wound clean. We provided parenteral nutrition and started respiratory rehabilitation. After 8 days, he began to eat by himself and gradually became better nourished. His body temperature became normal, and his C-reactive protein, 14.1 mg/dl on admission, was 5.21 mg/dl just before the surgery (Figure 1). His necrotic leg became aseptic after 42 days, and he was transferred to our hospital for leg amputation.

Considering his COPD and stiff knee joints and that he had used a wheel chair in a previous hospital, we set his rehabilitation goal based on wheelchair life. His superficial femoral artery was obstructed, but his deep femoral artery was patent. Since we did not need to consider rehabilitation with an artificial leg, we decided to amputate his leg quite proximal to the hip, 10 cm below the groin (Figure 2). We administered β -blockers prior to the surgery⁷⁾. We use mepivacaine hydrochloride (patient's body weight 47 kg; 1 mg/kg) to block the femoral (0.15 mg), sciatic (0.25 mg), and obturator (0.1 mg) nerves. The anesthesiologist injected 200 μ g fentanyl intravenously, used a laryngeal mask airway, and maintained anesthesia with continuous infusion of a low dose (50–500 g/kg/h) of ketamine⁸⁾. Spontaneous respiration was maintained. The operation time was 70 min, and only 80 ml of blood was lost.

The patient awakened quickly after the anesthesia was stopped and did not complain of wound pain. He showed

Icd 9 Code For Below Knee Amputation Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Icd 9 Code For Below Knee Amputation free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Icd 9 Code For Below Knee Amputation free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Icd 9 Code For Below Knee Amputation free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Icd 9 Code For Below Knee Amputation. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF

files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Icd 9 Code For Below Knee Amputation any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Icd 9 Code For Below Knee Amputation Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Icd 9 Code For Below Knee Amputation is one of the best book in our library for free trial. We provide copy of Icd 9 Code For Below Knee Amputation in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Icd 9 Code For Below Knee Amputation. Where to download Icd 9 Code For Below Knee Amputation online for free? Are you looking for Icd 9 Code For Below Knee Amputation PDF? This is definitely going to save you time and cash in something you should think about.
