Contemporary French Cinema Alan J. Singerman, Michèle Bissière, 2018-09-15 Like its French language companion volume *Le Cinéma français contemporain Manuel de classe* Alan Singerman and Michèle Bissière's *Contemporary French Cinema A Student's Book* offers a detailed look at recent French cinema through its analyses of twenty notable and representative French films that have appeared since 1980. Sure to delight Anglophone fans of French film it can be used with equal success in English language courses and when paired with its companion volume dual language ones. Acclaim for *Le Cinéma français contemporain Manuel de classe* From *Le Dernier Métro* to *Intouchables* Bissière and Singerman cover the latest trends of French cinema emphasizing context and analytical method as Singerman did in *Apprentissage du cinéma français* Focus 2004. The authors offer a selection of films most French cinephiles will applaud and they incorporate insights from some of the best critical work on French cinema. Students of French film will also find all the bibliographical pointers they need to dig deeper and instructors will appreciate the pedagogical components included in the chapters. Jonathan Walsh, Department of French Studies, Wheaton College, Massachusetts. This remarkable book comes to us from two seasoned teachers and critics and beautifully complements an earlier work. Alan Singerman's *Apprentissage du cinéma français*. The time period covered more targeted here than in the preceding text is admirably well chosen and the breakdown by broad category each offering multiple options guides the teacher while offering a choice among an abundance of interesting films. The preliminary chapters both succinct and informative give students an excellent overview of French cinema as a whole and of the technical knowledge needed for film analysis. Each of the subsequent chapters offers an indispensable introduction discussing the plot, director, production, actors, reception and context of the film in question and also provides a very useful filmography and bibliography. An exemplary work. Brigitte E. Humbert, Department of French and Francophone Studies, Middlebury College. , **Mathieu Kassovitz** Will Higbee, 2019-01-25 Mathieu Kassovitz is arguably the most important filmmaker to have emerged from French cinema in the past two decades. As a director his work often engages with highly controversial socio-political issues whilst still managing to attract and connect with a popular audience and above all with a youth audience. He is also one of the few contemporary French filmmakers who is capable of productively engaging with Hollywood in terms of cinematic style, narrative and genre yet still retaining his own identity as a French filmmaker. In addition to his directorial successes Kassovitz has also achieved considerable critical and commercial success in France as a screen actor. His films whether directed by or acted in or both show an astonishing variety from his early *Mais que du vent* 1993 his breakthrough *La Haine* 1995 through to *Jeunet's* *Le fabuleux destin d'Amélie Poulain* 2000 *Astérix et Obélix: Mission Cléopâtre* 2002 and *Gothika* 2003. Will Higbee's study is the first to explore one of the most fascinating characters in French cinema.

Non vraiment ce Josh qui n'est pas capable de s'occuper d'un groupe d'enfants pendant quelques jours va entendre parler d'elle. Elle n'en doute pas une seconde jusqu'au moment où elle arrive aux portes du chalet où les garçons passent leurs vacances. Ce type musclé et sexy en train d'engueuler ses garçons c'est Josh. Quand elle demandait un bel homme pour Noël, ce n'est vraiment pas ce qu'elle imaginait. Cécile et son amour, L'esprit de famille Janine Boissard, 2014-04-01. C'est Noël ce soir et La Marette on pr'pare la fête lorsque la nouvelle tombe le docteur Moreau le chef de famille vient d'être victime d'un accident cardiaque. Impossible, inacceptable. Tout simplement cela ne se peut. Et pourtant il va falloir regarder la vidence, apprendre vivre et même rire sans celui qui était le pilier de la maison. Perdre un père, un mari c'est cela aussi. Cécile et son amour. Souvent on dit des jeunes filles d'aujourd'hui qu'elles sautent le pas trop tôt, se gaspillent, se retrouvent blasées avant l'âge. Mais qui parle des autres. De celles qui comme Cécile se sentent peu attirées par cet amour dont on parle partout et la plupart du temps si mal. Celles qui craignent de ne jamais rencontrer l'homme avec qui elles découvriront l'amour total. Cette rencontre c'est ce que va vivre Cécile dans Cécile et son amour. Mais galemment ce roman conte l'émouvante histoire de Benjamin, quatre ans, petit garçon triste et solitaire dont notre héros ne découvrirait qu'il est un enfant surdoué. Et le combat de Bernadette, la Cavalière courageuse et têtue qui a dû résister et contre tous de sauver le chateau de ses beaux parents en y installant un manège de poneys. L'esprit de famille dit Cécile, je le vois comme un arbre, comme la sève qui passe dans cet arbre. C'est bien cette sève riche, nourrissante qui permet aux Moreau, ainsi qu'à ceux qui les entourent, de regarder en face et d'accepter sans faiblir la mort, l'amour, la vie. *Derniers voyages en France* Dominique Noguez, 1994. *Pentecôte* Geoffrey Clautriaux, 2017-03-02. Quand la Bretagne se transforme en terrain de jeux macabres, la lieutenant de gendarmerie Vaness Denyel découvre un corps calciné dans une grotte sous-marine de l'île de Karreg. Dans le même temps, le capitaine Enrique Panadero, policier Brest, enquête sur la disparition d'une jeune femme. Les deux enquêtes sont elles liées ? Pourquoi le corps retrouvé sur Karreg a-t-il tant de mutilations post-mortem ? Pour Vaness et Enrique, ces deux événements ne sont que le point de départ d'une descente aux enfers dans les méandres obscurs de rituels oubliés. Un polar captivant dans une Bretagne mystique. EXTRAIT. Hideux. Le cadavre était hideux, faisait peur. Le défunt était allongé, même le sable entièrement nu. Les vertèbres cervicales brisées avaient transpercé la chair, l'endroit de la fracture apparemment provoqué par une rotation de la tête de 180 degrés. Toutefois, des examens complémentaires seraient nécessaires pour déterminer la cause exacte du décès car la texture de la peau indiquait que celle-ci avait été carbonisée. Brûlé et quasiment décapité, voilà une mort inhabituelle, se dit Vaness Denyel. Lieutenant Spit. La voix de Wayne Brit Murdoch teintée d'un zeste d'accent irlandais jaillit de son oreillette. Son collègue l'attendait l'entrée du puits d'accès environ douze mètres au-dessus de sa tête et suivait sa progression via les instruments de mesure. Spit. Tout se passe comme tu veux. Tu devrais être pile dessus. Tu vois quelque chose ? Un témoin avait signalé un cadavre flottant au pied des falaises de la crête nord, ce qui avait laissé Spit perplexe. Elle connaissait bien l'île de Karreg pour y avoir grandi et comme tous ses habitants, elle savait parfaitement que les courants de cette zone avaient tendance à emporter les objets vers le large au lieu de les ramener.
