

CONDUCTING EFFECTIVE INTERNAL INVESTIGATIONS

June 22 – June 25, 2008

Carole R. Rossi, Esq.
Chief Campus Counsel
University of California, Santa Cruz

EFFECTIVE INTERVIEW TECHNIQUES; PROPER DOCUMENTATION; ISSUES OF CONFIDENTIALITY

I. EFFECTIVE INTERVIEW TECHNIQUES

A. Start with a well-developed “plan of action”

1. First Step: Gather all available information and review, including: all relevant university/college policies and procedures, any documentation regarding the incident(s) in question; any other background materials – e.g., organizational structure of the department, departmental announcements or plans, etc.
2. Prepare an outline which identifies the issues to be addressed and your plan going forward
3. Order of Interviews:
 - a. Start with the *complainant*. Develop a clear understanding of the allegations; get as much detail from the complainant as possible; listen impartially without committing yourself.
 - b. If possible, interview who you believe are your key witnesses prior to interviewing the accused. This will help you develop a solid set of questions in preparation for your meeting with the accused.
 - c. Interview the accused.
 - d. Interview other witnesses identified during the course of the investigation. Be sure to ask the complainant and the accused: Is there anyone that you recommend that I speak with?
 - e. At the end of every interview, try to ask: Is there anything else I should know?
