The Sunday-school World ,1897 **Is 9/11 a Call to Heal America?** Ralph W. Rowe,2009-01-01 The primary focus of

this book is to determine if the Greek word for worship *proskuneo* used in John 4 23 24 includes the concept of bowing the knees or kneeling In the New Testament *proskuneo* is translated as worship sixty times All of the worship events in the New Testament that included a form of bowing the knees or kneeling has been documented This task was undertaken using five reliable sources of information or testimony 1 the testimony of God or Scripture 1Corinthians 2 1 2 the testimony of Lexicons or Greek dictionaries 3 the testimony of Bible translators 4 the testimony of history and 5 the testimony of Bible scholars The book was written with all categories of readers in mind worship leaders clergy college professors Seminary students Bible scholars teachers graduate school students Pastors lay people seekers and is suitable as a textbook in all Bible classes that include the subject of worship

Popular Religion in America Erling T. Jorstad, 1993-04-22 The enormous growth of evangelicalism is one of the major developments in recent American life Like other scholars Jorstad acknowledges that evangelicalism has grown because it is theologically attractive But Jorstad also attributes the growth of the evangelical movement to its relationship with American popular culture According to the author the evangelical movement was able to integrate populist democratic traditions with a cultural inclusiveness a mastery of high technology and a willingness to use mass media to spread its views The book contains three sections The first traces the development of evangelical subculture between 1960 and 1990 The second part discusses the evangelical movement and social and individual values The third part explores popular religion and the media The book considers the involvement of evangelicals in popular religion the appeal of popular religion to many but not to all evangelicals the similarities between popular religion and more traditional religious organizations and the means by which evangelicalism effectively utilizes the many genres and styles of popular culture
