### **LANGUAGE & LITERATURE (LANGUAGE A)**

#### **CATEGORY 1**

Your essay must be based upon the literature of one or more texts from the country whose language you are writing in in the work(s) you are discussing, must have originally been written in the same language that you have chosen for this essay. This essay could be a comparative study of works, authors, time periods or genres.

**AVOID** aspects of texts that are too well known

Make sure you choose texts that have enough literary content and ideally have published critical studies associated with them. You need to be able to demonstrate in depth literary analysis and research

#### **OVERALL DOES YOUR ESSAY.....?**

Use texts of sufficient literary importance? Address the philosophical, political or social questions raised in the literary text? Show how the texts studied achieve these influences?

Have you used your research sources to build upon what you have read to reach your own opinions and conclusions? Have you shown how your opinions have been helped in this way in your essay? Have you appraised your sources critically?

Avoid the use of sections and sub headings but present as a continuous text. Avoid the use of diagrams, tables, charts etc
