Bruce Cameron is everything she should avoid cocky dangerously charming and filthy rich As the heir to a multi billion dollar empire Bruce is used to getting what he wants Relationships are a foreign concept to him and his life has been a string of one night stands each less meaningful than the last But when he lays eyes on Anastasia she s unlike anyone he s ever met It isn t just her beauty it s the fire in her eyes the way she carries herself and the protective love she shows for her son For the first time in his life Bruce craves more than just a fleeting touch He wants her All of her And he s not above using every trick in the book to make her his Anastasia however is done with heartbreak She sees through Bruce s charm and refuses to be another name on his long list of conquests But Bruce isn t used to rejection and her defiance only fuels his obsession What starts as a game of pursuit soon becomes something neither of them can control Anastasia is determined to keep her walls up but Bruce s relentless determination begins to crack her defenses And as he spends more time with her and Elijah Bruce finds himself facing an unfamiliar feeling love But when passion turns into something deeper and their lives intertwine in ways neither expected Bruce must confront his own fears of commitment And Anastasia must decide if she can trust him with her heart or if his past will be their undoing Bruce His name trembles on my lips as he steps closer the predatory gleam in his eyes locking me in place Funny he murmurs his voice low and dangerous just last week you couldn t stop moaning that name I retreat instinctively only to feel the cold edge of the desk against my back He follows towering over me his lips curling into a smug knowing smirk You know he continues his tone almost conversational as he places his hands on either side of me caging me in I woke up expecting to find you there sleeping beside me His eyes darken a flicker of something raw flashing across his face But instead my bed was empty Bruce I He silences me with a finger pressed gently against my lips the touch searing intimate I m not here for excuses he whispers his voice soft but commanding I m here to take what s mine Before I can protest his lips claim mine with the same possessive hunger that left me breathless that night The heat between us is electric undeniable and terrifyingly familiar But this time I know better Or at least I think I do
