

LEICA MANUAL

has been used by photographers everywhere. It follows an easy, professional and the photographer you follow the system of the camera's design and the photographer's work, useful, ready-made pages, with pictures and many more information.

Here's what some of the experts say...

"... the standard source book in the subject... fully packed with practical information on every phase of single photography... a must for the serious Leica photographer... this book can help photographers to work and having to high technical standards demanded of today's picture takers."

Jack Dorian, *Photograph* like
The New York Times

"The editors and publishers of this volume, long time camera enthusiasts, are well equipped to produce the most reliable and authoritative information."

Popular Photography

"I can hardly visualize Leica owners operating without it... no matter how much they think they know already."

Ralph Tompkins, *News*
New York Institute of Photography

"... it is so well illustrated and by the authors that it is a rare and a guide for anyone interested in photography."

The Boston Globe

"... a thoroughly useful book for the photographer's library... whether the reader wishes to Leica, other cameras, or both systems."

Photographic Society of America *Journal*

"... the essential one of the photographic books of our time... designed for a single camera system."
