ACCOUNT OVERVIEW (AOV) PAGE

The Account Overview (AOV) provides a top level view of all the customer's products in the form of account tiles. Dialogue with the customer is delivered through notifications and stickers.

Do display account tiles in this order:

- Current Account(s)
- Savings Account(s)
- ISA(s)
- Credit Card(s)
- Personal Loan(s)
- Mortgage(s)
- Investments & Pensions(s)
- Protection for Life
- Share Dealing Account(s)

Don't add leads outside of the designated places for them:

- The marketing message slot on the account tile
- As a shadow account tile (shadow accounts are leads presented as an account tile)
- In the left hand column below the Products and Services module

Don't display more than 2 shadow account tiles at any time. Only use shadow account tiles to promote products that could ultimately occupy a tile; for example, use a shadow account tile to promote a value-added account but not for a function such as making an international payment.

Do only display shadow account tiles after the real product tiles.

If the customer has a ghost account tile displayed then display no more than 1 shadow account tile. Ghost account tiles are account or product applications in progress e.g. a mortgage or loan application.
