EBOOK: College Algebra with Trigonometry Raymond Barnett, Michael Ziegler, Karl Byleen, David Sobecki, 2010-03-16
Barnett Ziegler Byleen and Sobecki's College Algebra with Trigonometry text is designed to be user friendly and to maximize student comprehension by emphasizing computational skills ideas and problem solving as opposed to mathematical theory. The large number of pedagogical devices employed in this text will guide a student through the course. Integrated throughout the text, students and instructors will find Explore Discuss boxes which encourage students to think critically about mathematical concepts. In each section, the worked examples are followed by matched problems that reinforce the concept being taught. In addition, the text contains an abundance of exercises and applications that will convince students that math is useful. A MathZone site featuring algorithmic exercises, videos, and other resources accompanies the text. **Everyday Mathematics**, 2002 *Kaplan New York City Specialized High School Admissions Test* Kaplan, 2014-08-05
The most comprehensive guide for the New York City Specialized High Schools Admissions Test. Every fall, high-achieving eighth and ninth grade students take the New York City Specialized High Schools Admissions Test (SHSAT). Aiming for a top score to stand out from the increasingly competitive applicant pool and get a premium education at a public school, students have a 1 in 10 chance of securing admission into a specialized high school such as Stuyvesant High School, Bronx High School of Science, Brooklyn Technical High School, Brooklyn Latin School, High School for Math Science and Engineering at City College, High School of American Studies at Lehman College, Queens High School for the Sciences at York College, or Staten Island Technical High School. Competition for admission gets increasingly tougher each year, but with Kaplan New York City Specialized High Schools Admissions Test, now in its seventh edition, students can get all of the materials they need to prepare for test day. In Kaplan's New York City Specialized High Schools Admissions Test, students can take advantage of two full-length practice tests and the most up-to-date information about the test: vital practice questions in each chapter that cover all tested material; proven score-raising strategies with emphasis on improving math and verbal skills; a section dedicated to the 100 most important math concepts covered on the exam; detailed answer explanations for each question; and useful additional practice available online. Kaplan New York City Specialized High Schools Admissions Test provides students with everything they need to improve their scores, guaranteed. Kaplan's Higher Score guarantee provides security that no other test preparation guide on the market can match. Kaplan has helped more than three million students to prepare for standardized tests. We know that our test-taking techniques and strategies work, and our materials are completely up to date. Kaplan New York City Specialized High Schools Admissions Test is the must-have preparation tool for every student looking to score higher. Math Advantage, Grade 8 Grace M.
