Cooper, 2000-02-01 With the skill that has made him a popular speaker and Christian television personality Pastor Cooper skillfully opens the Word of God and interprets today's headlines in the light of the Revelation Clearly he says history is going somewhere Some of the things he discusses are doomsday cults the coming economic chaos the certain and unmistakable rise of the Antichrist the Second Coming of Jesus the Great Tribulation the Mark of the Beast      **The Closing Drama at The End of The Age** M Dean Koontz, 2011-11 The book of Revelation is a fascinating book It claims to be a divine revelation of the Sovereign soon returning Christ given by God to His servants Furthermore one of several triads that appear in this first chapter of the Revelation promises special blessing to the one who reads this book those who hear it and those who obey or take it to heart And it adds at the end solemn warnings about those who tamper with its contents either adding to or detracting from its message This surely means that you and I can not afford to either ignore it or neglect it I believe that Christ will return as He promised and that we need to be eagerly and watchfully waiting for His arrival After careful study comparing Scripture with Scripture I want to take you through this book and help hopefully with your greater understanding of its wonderful contents
