Hebrew Printing And Constantinople Its History And Bibliography

Marvin J. Heller

Hebrew Printing And Constantinople Its History And Bibliography:

Hebrew printing at constantinople, 1967 *History of Jewish Philosophy* Daniel Frank, Oliver Leaman, 2005-10-20 Jewish philosophy is often presented as an addendum to Jewish religion rather than as a rich and varied tradition in its own right but the History of Jewish Philosophy explores the entire scope and variety of Jewish philosophy from philosophical interpretations of the Bible right up to contemporary Jewish feminist and postmodernist thought The links between Jewish philosophy and its wider cultural context are stressed building up a comprehensive and historically sensitive view of Jewish philosophy and its place in the development of philosophy as a whole Includes Detailed discussions of the most important Jewish philosophers and philosophical movements Descriptions of the social and cultural contexts in which Jewish philosophical thought developed throughout the centuries Contributions by 35 leading scholars in the field from Britain Canada Israel and the US Detailed and extensive bibliographies *Ha-Dafus Ha-Ivri Be-Kushta*. *Hebrew Printing at Constantinople. Its History and Bibliography. (Supplement to Kirjath Sepher, Vol. XLII)*. ABRAHAM. YAARI, 1967 **Essays on the Making of the Early Hebrew Book** Marvin J. Heller, 2021-08-09 Winner of the 2022 Association of Jewish Libraries Judaica Bibliography Award A varied collection of articles on early Hebrew printing encompassing motifs on title pages such as lions eagles and fish as well as the entitling of Hebrew books The next section is on authors and places of publication addressing such diverse topics as a much republished book opposed to gambling authors of books on philology and on the massacres of tah ve tat 1648 49 of articles on diverse and disparate places of printing Chierie Hamburg Offenbach Verona and Slavuta generally small barely remembered publishers of interesting works and in the last location properly identifying the printer of the highly regarded Slavuta press Included is a section on Christian Hebraism with articles on Altdorf where polemical books were published and another on William Wotten a Christian vicar who published the first English translation of Mishnayot The result is a wide ranging series of articles highlighting the activities of early Hebrew presses and printers

The Early Modern Yiddish Bible Morris M. Faierstein, 2023-12-31 The translation of the Bible into the vernacular is a venerable Jewish tradition more than two thousand years old Ashkenazi Jewish culture was a latecomer to the vernacular Bible and it was only in the sixteenth century that the Yiddish Bible made its appearance in print Almost one hundred years ago Wilhelm Staerk and Albert Leitzmann's survey of Early Modern Yiddish Bible translations was the first attempt to define this genre of Early Modern Yiddish literature In the intervening century there has been relatively little scholarly interest in these texts The purpose of the present study is to survey the present state of research in this field and place these works in the context of the popular religious culture of Ashkenazi Jewry which is defined by its use of Yiddish as a means of both oral communication and literary production The subject of this study is every Yiddish work from the sixteenth and seventeenth centuries that is directly or indirectly related to the Bible The survey begins with the *Mirkevet ha Mishneh* the first published Yiddish book which is a biblical concordance published in Cracow 1534 36 and concludes with the two competing

translations of the entire Bible into Yiddish by Yekutiel Blitz and Joseph Wizenhausen published in Amsterdam 1676 86 These were translations without any accompanying commentaries and were modeled on Protestant Bibles like the English King James or the German Luther Bible The study includes not only translations of biblical books but also adaptations reworkings and paraphrases of biblical texts appearing in diverse literary styles by a wide variety of authors King David for example is presented in the Shmuel Bukh as a combination of medieval chivalric hero and rabbinic scholar who is careful to observe the strictures of Halakhah The story of Jonah is retold through a midrashic lens and concludes with a kabbalistic parable that analogizes Jonah's journey to that of the soul from conception through life death and return to its heavenly source Some authors take great liberties with the biblical text The author of the paraphrase of Isaiah only includes what he considers to be prophetic utterances and disregards the rest of the book Another author decides that the second half of the Torah is too legalistic and not worth retelling so he ends his commentary after the giving of the Torah on Mount Sinai As for the Five Scrolls Lamentations is too depressing so he ignores it There are also surprising inclusions in these volumes such as the books of Judith and Susanna from the Apocrypha and the very colorful medieval version of the Book of Ben Sira which is considered by modern scholars to be a parody

The Seventeenth Century Hebrew Book (2 Vols) Marvin J. Heller, 2010 The Seventeenth Century Hebrew Book covers the gamut of Hebrew literature in that century Each entry has a descriptive text page and an accompanying reproduction There is an extensive introduction with an overview of Hebrew printing in the seventeenth century

Bukharan Jews and the Dynamics of Global Judaism Alanna E. Cooper, 2012-12-07 Part ethnography part history and part memoir this volume chronicles the complex past and dynamic present of an ancient Mizrahi community While intimately tied to the Central Asian landscape the Jews of Bukhara have also maintained deep connections to the wider Jewish world As the community began to disperse after the fall of the Soviet Union Alanna E Cooper traveled to Uzbekistan to document Jewish life before it disappeared Drawing on ethnographic research there as well as among immigrants to the US and Israel Cooper tells an intimate and personal story about what it means to be Bukharan Jewish Together with her historical research about a series of dramatic encounters between Bukharan Jews and Jews in other parts of the world this lively narrative illuminates the tensions inherent in maintaining Judaism as a single global religion over the course of its long and varied diaspora history

A Social and Religious History of the Jews: Late Middle Ages and the era of European expansion, 1200-1650 Salo Wittmayer Baron, 1952

Jews in the Realm of the Sultans Yaron Ben-Naeh, 2008 Jewish society in the Ottoman Empire has not been the subject of systematic research The seventeenth century is the main object of this study since it was a formative era For Ottoman Jews the Ottoman century constituted an era of gradual acculturation to changing reality parallel to the changing character of the Ottoman state Continuous changes and developments shaped anew the character of this Jewry the core of what would later become known as Sephardi Jewry Yaron Ben Naeh draws from primary and secondary Hebrew Ottoman and European sources the image of Jewish society in the Ottoman Empire In the

chapters he leads the reader from the overall urban framework to individual aspects Beginning with the physical environment he moves on to discuss their relationships with the majority society followed by a description and analysis of the congregation its organization and structure and from there to the character of Ottoman Jewish society and its nuclear cell the family Special emphasis is placed throughout the work on the interaction with Muslim society and the resulting acculturation that affected all aspects and all levels of Jewish life in the Empire In this the author challenges the widespread view that sees this community as being stagnant and self segregated as well as the accepted concept of a traditional Jewish society under Islam

Commentary on Midrash Rabba in the Sixteenth Century Benjamin Williams, 2016-09-08 Printed editions of midrashim rabbinic expositions of the Bible flooded the market for Hebrew books in the sixteenth century First published by Iberian immigrants to the Ottoman Empire they were later reprinted in large numbers at the famous Hebrew presses of Venice This study seeks to shed light on who read these new books and how they did so by turning to the many commentaries on midrash written during the sixteenth century These innovative works reveal how their authors studied rabbinic Bible interpretation and how they anticipated their readers would do so Benjamin Williams focuses particularly on the work of Abraham ben Asher of Safed the *Or ha Sekhel* Venice 1567 an elucidation of midrash Genesis Rabba which contains both the author's own interpretations and also the commentary he mistakenly attributed to the most celebrated medieval commentator Rashi Williams examines what is known of Abraham ben Asher's life his place among the Jewish scholars of Safed and the publication of his book in Venice By analysing selected passages of his commentary this study assesses how he shed light on rabbinic interpretation of Genesis and guided readers to correct interpretations of the words of the sages A consideration of why Abraham ben Asher published a commentary attributed to Rashi shows that he sought to lend authority to his programme of studying midrash by including interpretations ascribed to the most famous commentator alongside his own By analysing the production and reception of the *Or ha Sekhel* therefore this work illuminates the popularity of midrash in the early modern period and the origins of a practice which is now well established the study of rabbinic Bible interpretation with the guidance of commentaries

The Sixteenth Century Hebrew Book Marvin J. Heller, 2022-12-05

Printing the Talmud Marvin Heller, 2024-03-25 The first study on the subject this is a bibliographical work on individual tractates published in the first half of the eighteenth century and the circumstances of their publication Included are numerous reproductions of title and representative pages

The Encyclopaedia of Islam Clifford Edmund Bosworth, 1989-01-01

Late Ottoman Palestine Yuval Ben-Bassat, Eyal Ginio, 2011-06-30 The decisive consequences of the Young Turk Revolution of 1908 had ramifications over the entire Ottoman Empire and the Ottoman territory of Palestine was no exception Late Ottoman Palestine examines the impact of Young Turk policies and reforms on local societies and administration using Palestine as a prism through which to explore the impact of the Revolution in the provincial arena far from the administrative and political centre of the capital It thus sheds light upon the last decade of Ottoman rule in

Palestine crucially dealing with the roots of Jewish Arab conflict in the area and the early crystallization of Arab Palestinian and Zionist identities along with that of an Ottoman imperial identity It will be a vital resource for students and researchers interested in the modern history of the Middle East the Ottoman Empire and Palestine **The Golden Path** David Sclar,2023-05-01 Among the intellectual luminaries dotting the millennia of Jewish history none shines brighter than Maimonides 1138 1204 He was a rabbi jurist Talmudist philosopher physician astronomer and communal leader and produced a myriad of writings on halakhah theology medicine and philosophy that have attained near canonical status We have more source material from or about Maimonides than possibly any other Jewish figure in the medieval period and more has been written about him than perhaps any other Jew in history Epithets like the Great Eagle and the Western Light and the glorifying statement From Moses to Moses none arose like Moses reflect centuries of authority influence and fascination The Golden Path traces the impact and reception of Maimonides and his thought through a study of materiality specifically the production and dissemination of textual objects It consists of two sections a descriptive catalogue of an exceptional private collection of manuscripts and rare books and essays from leading scholars on aspects of Maimonides s cultural context influence and appropriation through disparate eras and geopolitical spheres Combining intellectual reception and book historical research the heavily illustrated volume explores his effects in assorted social and political circumstances across diverse intellectual and cultural environments **A Choice of Corals** A.K. Offenberger,2024-05-13 Eight studies including Literature on Hebrew incunabula since the Second World War Notes on Hebrew printing at Naples about 1490 A list of copies of Hebrew incunabula disappeared since the outbreak of the Second World War **The British Library Journal** British Library,1996 *Jewish Translation History* Robert Singerman,2002-01-01 A classified bibliographic resource for tracing the history of Jewish translation activity from the Middle Ages to the present day providing the researcher with over a thousand entries devoted solely to the Jewish role in the east to west transmission of Greek and Arab learning and science into Latin or Hebrew Other major sections extend the coverage to modern times taking special note of the absorption of European literature into the Jewish cultural orbit via Hebrew Yiddish or Judezmo translations for instance or the translation and reception of Jewish literature written in Jewish languages into other languages such as Arabic English French German or Russian This polyglot bibliography the first of its kind contains over 2 600 entries is enhanced by a vast number of additional bibliographic notes leading to reviews and related resources and is accompanied by both an author and a subject index **The Sephardic Journey, 1492-1992** Yeshiva University. Museum,1992 **Historical Studies in Information Science** Trudi Bellardo Hahn,Michael Keeble Buckland,1998 The 25 contributions to this volume largely reprinted from recent special issues of three information science journals devoted to historical topics address an array of topics including Paul Otlet and his successors techniques tools and systems organizations and individuals theoretical issues and literature Annotation copyrighted by Book News Inc Portland OR
