Hebrewisms Of West Africa:

Hebrewisms of West Africa Joseph J. Williams, 1999 In this massive work Joseph J Williams documents the Hebraic practices customs and beliefs which he found among the people of Jamaica and the Ashanti of West Africa He initially examines the close relationship between the Jamaican and the Ashanti cultures and the folk beliefs He then studies the language and culture of the Ashanti of whom many Jamaicans have descended by comparing them to well known and established Hebraic traditions William s findings suggest stunning similarities And he challenges the reader by concluding that Hebraic traditions must have swept across negro Africa and left its influence among the various tribes While Williams presents a strong case his evidence including hundreds of quoted sources also builds a strong case for the reverse that an indigenous continent wide belief system among African people stands at the very root of Hebrew culture and Western religion First published in 1931 and long out of print today s reader will find Hebrewisms a valuable resource for understanding the cultural unity of African people
