Introducing your work

The study will begin by outlining. This study addresses a number of issues. The following section sets out to examine the research problem in detail to shed light on a number of problem areas in current theory. The paper presented here is based in part on an earlier study.

Arguing for and against

This becomes clear when one examines. This lends weight to the argument that. Support for this interpretation comes from. While it may well be valid that this study argues the importance of. A serious drawback of this approach is. One of the prime failings of this theory or explanation is. Reviewing other work. X takes little or no account of. There is little evidence to suggest that. The study offers only cursory examination of. X gives a detailed if not always tenable analysis of. The authors claim that is not well founded. X's explanation is not implausible if not entirely satisfactory. Analysis and explanation. If for the sake of argument we assume. One of the most obvious consequences of is. Although it may well be true that it is important not to overlook. It is important to distinguish carefully between. The extent to which this reflects is unclear. A more plausible explanation for or of would. The reason for is unknown but has been suggested by X as a possible factor.

Summary and conclusions

Concluding this section we can say that. Chapter X draws together the main findings of the paper. A number of key issues have been addressed in this study. This study has highlighted a number of problem areas in existing theory. While the initial findings are promising further research is necessary. The results of this study suggest a number of new avenues for research.
