The Teachers' Lounge (Uncensored) Kelly Flynn,2012-11-08 This book was chosen by The Delta Kappa Gamma Society International as one of its Top 5 Must Reads for 2013 DKG is organized in 18 countries around the world and works to promote professional and personal growth for women educators and excellence in education Teachers step to the front of the classroom every day and do their darnedest to capture their student s attention and keep it But so many things get in the way unruly kids disagreeable parents homes so broken it is beyond imagining bureaucracy and red tape the influence of technology and the media a culture that celebrates misguided values and most intrusively government regulations that purport to improve teaching and learning but in fact are destroying it The Teachers Lounge Uncensored gives you a peek inside that classroom Kelly Flynn takes readers by the hand and says Come inside my school walk a mile in my halls and then we ll talk about education reform With breathtaking clarity and a healthy dose of humor Kelly Flynn shares with readers what all teachers know that when you teach in a public school there are days that you laugh days that you cry and days that you

laugh until you cry Each student is surprisingly delightfully wildly different which is precisely why one size fits all education does not work Check out further praise for the book at the Reclaim Reform blog http bit ly 1pD654W
