

Changing the User Parameters

The user mode allows you to modify some basic settings of the thermostat to meet your personal preferences. You can change the time display format (24hr or AM/PM), reset the heating program to the built-in settings and disable or enable the summer/winter time change feature.

To change any of these user's parameters:

- a. Move the slider switch to the **OFF** position, then press and hold the  button for approximately 5 seconds.

- b. Once entered the following information will be shown on the screen:
