How To Get Ringtones:

The Ringtone Dialectic Sumanth Gopinath, 2013-07-19 The rise and fall of the ringtone industry and its effect on mobile entertainment music television film and politics A decade ago the customizable ringtone was ubiquitous Almost any crowd of cell phone owners could produce a carillon of tinkly beeping synthy musicalized ringer signals Ringtones quickly became a multi billion dollar global industry and almost as quickly faded away In The Ringtone Dialectic Sumanth Gopinath charts the rise and fall of the ringtone economy and assesses its effect on cultural production Gopinath describes the technical and economic structure of the ringtone industry considering the transformation of ringtones from monophonic single line synthesizer files to polyphonic MIDI files to digital sound files and the concomitant change in the nature of capital and rent accumulation within the industry He discusses sociocultural practices that seemed to wane as a result of these shifts including ringtone labor certain forms of musical notation and representation and the creation of musical and artistic works quoting ringtones Gopinath examines declines reversals and revivals of cultural forms associated with the ringtone and its changes including the Crazy Frog fad the use of ringtones in political movements as in the Philippine Gloriagate scandal the ringtone s narrative function in film and television including its striking use in the films of the Chinese director Jia Zhangke and the ringtone s relation to pop music including possible race and class aspects of ringtone consumption Finally Gopinath considers the attempt to rebrand ringtones as mobile music and the emergence of cloud computing

The Cell Phone

Heather Horst, Daniel Miller, 2020-07-31 Few modern innovations have spread quite so quickly as the cell phone This technology has transformed communication throughout the world Mobile telecommunications have had a dramatic effect in many regions but perhaps nowhere more than for low income populations in countries such as Jamaica where in the last few years many people have moved from no phone to cell phone This book reveals the central role of communication in helping low income households cope with poverty The book traces the impact of the cell phone from personal issues of loneliness and depression to the global concerns of the modern economy and the transnational family As the technology of social networking the cell phone has become central to establishing and maintaining relationships in areas from religion to love The Cell Phone presents the first detailed ethnography of the impact of this new technology through the exploration of the cell phone s role in everyday lives
