Bulgaria International Monetary Fund. Monetary and Capital Markets Department, 2015-10-29 This paper discusses key findings and recommendations of the Detailed Assessment of Observance on the Basel Core Principles for Effective Banking Supervision on Bulgaria Within the Banking Supervision Department the Special Supervision Directorate SSD has been assigned multiple activities that go beyond its primary objective of ensuring integrity in the banking sector The Bulgarian National Bank is not empowered to require a bank to change its internal organization or structure It is recommended to refocus the activity of the SSD on its core mandate of financial integrity This recommendation can be achieved by assigning nonsupervisory activities to other Directorates preferably outside the Banking Supervision Department Peru International Monetary Fund. Monetary and Capital Markets Department, 2018-12-14 The overall quality of Peru s supervisory approach and regulation of the banking sector is strong Some areas for enhancement remain A key area that needs strengthening relates to the powers and regulatory framework for consolidated and cross border supervision The FSAP undertook a full graded Basel Core Principles BCP assessment of the essential criteria The 2011 BCP update assessment found that bank regulation and supervision was of high quality and no principles were scored non compliant or materially non compliant The current assessment shows that the SBS has maintained and further enhanced its regulatory and <u>Turkey</u> International Monetary Fund. Monetary and Capital Markets Department, 2017-02-08 This supervisory framework paper presents an assessment of observance of Basel Core Principles for Effective Banking Supervision in Turkey Since the previous assessment conducted in 2011 the Banking Regulation and Supervisory Agency has made several significant improvements to its supervisory framework There are areas that still warrant improvement including addressing legal provisions that undermines supervisory independence providing a deeper risk assessment focus to supervisory inspections and follow up enhancing the forward looking component of the assessments streamlining risk management and corporate
