

ABOUT LEAP TESTING

Questions? Contact Dr. Miles kmmiles@caddoschools.org

ALL STUDENTS

All traditional and virtual students who are currently enrolled in a LEAP subject class will test on campus. Virtual students will test in classrooms separate from traditional students.

ONE DAY

Students will complete all sections of their test in one day with breaks between each section.

ACCOMMODATIONS

Please note that students who test with accommodations will test over a two day period including the date mentioned above and the date immediately following. E.g., a student in English II who receives accommodations would test on April 15 and 16.

ARRIVE BY 8:15

LEAP teachers will give information about room assignments.

TRANSPORTATION

If your student will test for two days and the second day is on a Friday, students will need to arrange for transportation to and from school. If transportation is an issue, see Dr. Miles ASAP. kmmiles@caddoschools.org

Leap Test Administrator Manual

Bonnie Johnson

Leap Test Administrator Manual:

High Stakes Dale D. Johnson, Bonnie Johnson, 2006 *High Stakes* is a critical ethnography of an underfunded public elementary school in this era of accountability and high stakes testing The book was written during the year the authors served as third and fourth grade teachers and it juxtaposes the experiences of mostly minority children of poverty and their teachers with an examination of high stakes testing policies and the loss of a comprehensive education to political dictates

State Assessment Policy and Practice for English Language Learners Charlene Rivera, Eric Collum, 2014-05-12 *State Assessment Policy and Practice for English Language Learners* presents three significant studies each examining a different aspect of states strategies for including English language learners in state assessments an Analysis of State Assessment Policies Regarding Accommodations for English Language Learners a Survey and Description of Test Translation Practices and an Examination of State Practices for Reporting Participation and Performance of English Language Learners in State Assessments With the rise in population of English language learners and the subsequent stepped up legislative focus on this student population over the past decade states have been challenged to include English language learners in state assessment programs Until now the little data available on states policies and practices for meeting this challenge has been embedded in various reports and professional journals and scattered across the Internet This volume offers for the first time a focused examination of states assessment policies and practices regarding English language learners The three studies were supported by OELA the U S Department of Education s Office of English Language Acquisition Language Enhancement and Academic Achievement for Limited English Proficient Students *State Assessment Policy and Practice for English Language Learners* is of interest to researchers and professionals involved with the assessment of English language learners state and district level policy makers and academics teacher educators and graduate students in a number of fields including educational and psychological assessment testing and measurement bilingual education English as a second language and second language acquisition *From Orthography to Pedagogy* Thomas R. Energy, 1983

Personality Topics in Honor of Jerry S. Wiggins

Lewis R. Goldberg, 2013-10-28 First published in 2004 The overall purpose of this text is to introduce beginning researchers to the study of educational and social policy how it has been examined from a scholarly perspective and the salient issues to consider in conceptualizing and conducting policy research The emphasis is on introduce as the various policy fields within the public sector for example education energy health labor are much too diverse to include in depth in a single volume on theoretical concepts and research methods The focus is not so much on the substance of policymaking as on understanding the interplay between how policy is made and implemented and the various conceptual approaches and methods researchers can use to frame and conduct policy studies

The underlying assumption is that a critique of the substantive theoretical and methodological issues involved in studying policy can help researchers conduct policy studies that are more informative in guiding policy development and more effective in assessing the impact of policy reforms This introduction to theories and methods of conducting policy research is intended to give prospective researchers an appreciation of the relationship among policy problems empirical methods and practice and to contribute to building their skills in conceptualizing and conducting policy research that answers important questions The text includes examples of studies to illustrate the diversity of methodological techniques and discusses issues related to the design and conduct of original educational policy studies Studying Educational and Social Policy Theoretical Concepts and Research Methods is designed primarily for graduate courses in educational policy and educational research and is appropriate as well for research methodology courses in other disciplines including statistics and research methodology in the social sciences organizational studies public policy and political science Louisiana Register ,1999
