Lego Software Power Tools With LDraw MLCad and LPub Kevin Clague, Syngress, Miguel Agullo, 2003-02-08 Create Virtual 3D LEGO Models Using LEGO Software Power Tools. LEGO Master Builders have created a powerful set of tools that are distributed as freeware to the LEGO community to assist LEGO fans in their building adventures. Until now these tools have been difficult to find and even more difficult to configure to work with one another. Here in one book readers will find steps for installing and using all of the most popular LEGO freeware applications. Also all of the applications are consolidated into one simple to install program that allows readers to be up and running in minutes. Wide market appeal. This book will appeal to the huge established consumer base of the LEGO community as well as to children parents and teachers who may have been intimidated by the difficulties of bringing all of these applications under one roof. The only book of its kind to cover the wide variety of applications available. Some books in the past have touched on one or two of these LEGO applications but none has covered them all in such detail. CD provides all of these freeware applications in one easy to install program. Included CD packs more than 8 applications into one easy to use format making it easy for readers to have access to all of these applications in minutes and avoid the headaches of trying to download install configure set up folder structures and troubleshoot such a wide variety of loosely related freeware applications. Will coincide with the release of Lpub. This will be

the first in depth look at LPub the new creation of Kevin Clague which ties LDraw MLCad L3P and POV Ray together to allow users to easily create professional quality LEGO instructions for both the printed page and the web *Virtual LEGO* Tim Courtney, Steve Bliss, Ahui Herrera, 2003 Virtual LEGO introduces the reader to a suite of software that allows users to create and document computer generated LEGO models Written by maintainers of the official hub of LEGO model building software the book includes coverage of popular freeware tools such as LDraw MLCAD L3P L3PAO LPub POV Ray and MegaPOV
