

# Professional Memoir<sup>\*</sup>

Robert E. Lucas, Jr.

April 5, 2001

1

Jane Templeton graduated in Seattle's Roosevelt High School's first class, in 1927. The Templetons lived right across 68th Street, in a house built the same year as the new high school. Jane enrolled as an art student at the University of Washington, hoping to become a fashion artist. But the art courses at the U were trivial—"tie-dyeing" she later dismissed them—unrelated to the world she wanted to enter. She got the idea to study in New York, and she and two girl friends planned to rent an apartment and spend a year there. In 1930, when she was 20, Jane took the two day trip to Chicago on the Northern Pacific, and spent a few days visiting with her Aunts Ruth and Mary. Then she was on to New York, beginning to enjoy the image she found she had back east, as a girl from the edge of the country.

But the New York art school was a disappointment too: Maybe schools were not where you learned design and the skills of a commercial artist. She picked up some work freelancing, looked around for a job, and—amazingly, in 1930—found one. She became the girl Friday for a fashion artist with the single name Leonard—LAY-o-nard—a recent immigrant from Austria, as far ahead of his American counterparts
