Batastini,2004 *The Sounds of Our Offerings* Charlotte Kroeker,2011-10-24 The Sounds of Our Offerings is good news about the music of the church It recounts what has been learned from studying nine congregations where music promotes the full active conscious participation of the worshipers and where it has done so consistently and coherently for many years Pastors and musicians reflect on their work together and offer rich insights about what works and what does not Lay musicians and members of the congregation also share their experiences with music in worship Though no site was without its struggles and at times difficult choices had to be made for the most part we see unremarkable week to week year to year faithful rendering of music for prayer and praise We see that sometimes the nature of the music took a slightly different turn one that built upon the foundations of the past The music choices in these churches are not restricted to one particular era or style but rather reflect the broader church s music repertoire including the best recently written music These are the stories of churches with a reputation for their fine music programs churches that with their leaders and congregations have worked out these programs in consistent coherent ways In most cases the programs span multiple priests pastors and musicians The Sounds of Our Offerings is about excellent music and how it has found its way into the life and faith practices of these congregations **The Hymn** ,2007 **Pastoral Music** ,2000 As Morning Breaks and Evening Sets Tony Alonso,Laurie Delgatto,Robert Feduccia,2004 In stark contrast to the common belief that youth ministers require nothing less than a light show smoke machine and sweaty rock bands to reach teenagers souls more and more youth have actually been moving toward depth and quiet and away from fluff and noise Creeds candles silence and ancient spiritual practices are all gaining understanding and popularity among young people who are realizing that there are treasures in tradition As Morning Breaks and Evening Sets is a tool for unearthing dusting off and tapping into these treasures As Morning Breaks and Evening Sets provides an introduction to the biblical form of prayer known as the Liturgy of the Hours a rich and time tested way for Christians to pray with the whole community of faith using the source of its hope the inspired Scriptures This type of prayer immerses believers in the poetic word of God found in the Psalms scriptural canticles and scriptural readings As Morning Breaks and Evening Sets contains seventeen prayer

experiences designed to put the hearts and minds of adolescents in touch with the sacred This is a book of simple yet profound prayer experiences that speak to the everyday moments in the lives of young people Here young people will participate in the venerable practice of using the Scriptures to offer praise thanksgiving and intercession A corresponding music collection on CD for As Morning Breaks and Evening Sets is available through GIA Publications Three of today s top liturgical composers Tony Alonso Michael Mahler and Lori True composed the songs The CD titled As Morning Breaks and Evening Sets Psalms Canticles and Hymns for the Liturgy of the Hours contains seventeen contemporary and highly accessible musical settings for use with this book Book jacket **Sacred Treasure** Joseph Peter Swain,2012 In the discussions and debates surrounding liturgical music of the past fifty years music theorists critics and historians have contributed little and their counsel has rarely been sought Whenever the matter of liturgical music arises most often in parishes but sometimes in episcopal conferences or in the academy or in Vatican documents the nature of the music as music almost never affects the discussion With Sacred Treasure Joseph Swain a distinguished musicologist and accomplished performer attempts to change that He offers a theory for building authentic traditions of liturgical music for Roman Catholic parishes This book is an exercise in pragmatic music criticism By providing a rational basis for evaluating the essential issues Swain seeks to show how a spiritually wholesome stability might supplant the confusion Sacred Treasure shows how the hard facts of music must be taken into account in any holistic conception and any lasting form of liturgical music **Simple Gifts** Bill Henderson,2006 This moving and intelligent spiritual memoir reveals the true stories behind some of the most cherished works in the American hymnal and one man s search for community and religious grace through hymn singing Illustrations
