

GMetrix Practice Tests Quick Start Guide

Installation Instructions:

1. Download the latest version of the GMetrix client at www.gmetrix.net/downloads.
2. When prompted by your Internet browser, select the Run option.
3. Answer the on-screen prompts in the GMetrix Setup Wizard to complete the installation process. Once completed, you can launch the application. Note: You will need administrator rights on your computer to install the client.

Starting a Test

1. If you haven't already, create a GMetrix account by clicking the "Sign up Now!" option below the Sign in button on the login screen. You can also do this client at www.gmetrix.net.
2. Log in to the client, and you will see the screen shown below:

3. If you have an account with other accounts for you (not for you) linked with your account, either received them as a gift or purchased them, select the blue flag icon  to view your account links. Unlike the flag icon, you select the account code. This will only work for accounts you have access to.
4. Once you have entered your account code, you can then select the test, course, or a third party exam to access by selecting the appropriate button and following the on-screen prompts for using the desired product. Third party administration is dependent on the product you have on your account(s).
5. If you want to request a course you have started or a test you have started, you can find the most recent test under Recent Activity. If you don't find what you're looking for there, you can access them through the Courses button or the Saved Tests button.
6. The Completed Tests button allows you to review how well you did on previous practice tests, broken down by objective proficiency.
7. To access your account details, select the dropdown menu in the upper right corner.
8. To access logs, select the gear icon in the upper left corner.
9. To request a course or test, select the blue flag icon in the upper left corner.
