Poems Elizabeth Barrett Browning,1856 **Memoirs of the Archaeological Survey of India** ,1929 ...And the Lie Goes On... D. Alex Kouassi,2020-07-09 And the Lie Goes On By Alex Kouassi And the Lie Goes On is about Christianity and the Christian God What makes D Alex Kouassi s story interesting is that he is not an atheist He believes in the existence of a supernatural power a universal God but unlike Christians he does not claim to know about the God that he believes in except that He does not have a chosen people is emotionless and does not require offerings or worships He has no plans for anyone but rewards everyone on a merit basis What makes author D Alex Kouassi s message relevant is that it is realistic and commensurate with the world we live in today s world and not the world of 2000 years ago This book is unique because it approaches the issue concerning the existence of God differently It does not reject the existence of God but it makes the separation between God the universal God and the man made god of Christianity Kouassi hopes to convey that everything that happens during the course of our lives is entirely our choice and not the will of some supernatural being He hopes the reader can take away that instead of spending hours praying the application of very simple rules can have tremendous impact
