Concept and Application of Transdisciplinarity in Intellectual Discourse and Research Hester du Plessis, Jeffrey Sehume, Leonard Martin, Mapungubwe Institute for Strategic Reflection (MISTRA), 2014-02-01 In the past four decades transdisciplinarity has gained conceptual and practical traction for its transformative value in accounting for the complex challenges besetting humankind including social relations and natural ecosystems The need to develop frameworks for joint problem solving involving diverse stakeholders is unquestionable Besides generating inclusivity which embraces academia civil society and policymakers in the public and private sectors transdisciplinarity allows for the appreciation of phenomena from a multiplicity of angles and affords societies creative ways of seeking solutions to challenges that may appear intractable This book puts forward alternatives within this arena and attempts to directly respond to the multilayered challenges of diffuse disciplines interlinked socioeconomic problems impacts of globalization technological advancements environmental concerns food security and more

Against All Odds Dr. Simon George Taukeni, 2017-01-12 This is a true life story of a poor ordinary orphan and a Namibian refugee boy who did extraordinary things in a normal but amazing way It is the life of a poor village boy who did supernatural things with a simple smile

The Concept and Application of Transdisciplinarity in Intellectual Discourse and Research MISTRA MISTRA, 2011-06-09 Mapungubwe Institute for Strategic Reflection MISTRA was publicly launched as a think tank in March 2011 and took up the task of following a transdisciplinary approach to the research generated within the organisation The projects initiated by MISTRA integrate various streams of knowledge and expertise when examining complex issues such as nation formation economic growth social equity adaptable science and technology and other strategic topics related to South Africa's development as a democracy Serving in part as an intellectual movement and in part as a research institution activities are structured around diverse topics that require the opening up of intellectual space for strategic research and reflection specific but not exclusive to the African continent A project was launched The concept and application of transdisciplinarity in intellectual discourse and research The intent of the study was two fold in the first place the need for better theoretical understanding of a transdisciplinarity approach was identified as a necessity and in the second place MISTRA intended to apply transdisciplinarity towards the opening up of an African approach guided in part by the Afrikology principles of the late Professor Dani Nabudere By orientation Transdisciplinarity is an approach that recognises a united and borderless intellectual terrain It is an attempt to formulate an integrative process of knowledge production and distribution in reaction to the twentieth century narrow discipline focus and hyper specialisation It responds to the multi layered challenges of diffused disciplines interlinked socio economic problems the impact of globalisation the de territorialised nation state technological advancements environmental concerns agriculture and food security and health And it recognises that in history some of the most revolutionary breakthroughs in science and technology in fact happened on the margins of narrow disciplines

WHO recommendations on choice of antiseptic agent and method of application for preoperative skin preparation for caesarean section ,2021-06-18 There was a lack of evidence to recommend a specific concentration of chlorhexidine gluconate however most trials included used 2% chlorhexidine gluconate in 70% alcohol Maternal allergy to alcohol based chlorhexidine gluconate must be excluded before surgery In women with no previous history of allergy to alcohol based chlorhexidine gluconate it should be noted that chlorhexidine gluconate can cause skin irritation A standard preoperative skin preparation technique that is appropriate for the intended skin incision must be followed As alcohol is highly flammable alcohol based antiseptic preparations may ignite if used in the presence of diathermy and they must be allowed to dry by evaporation It is advisable to ensure that the drapes are not saturated with alcohol or that the alcohol based solution has not formed a pool underneath the woman before starting surgery Particular care should be taken at

emergency caesarean section Where chlorhexidine gluconate is not available other antiseptic agent such as povidone iodine can be considered a suitable antiseptic agent for preoperative skin preparation although it is not as effective as alcohol based chlorhexidine gluconate The Guideline Development Group noted that the current recommendation is consistent with the 2016 WHO global guidelines on the prevention of surgical site infection which recommends chlorhexidine gluconate alcohol based antiseptic solutions for surgical site skin preparation in individuals undergoing surgical procedures

Transformation of Archives and Heritage Education in Post-apartheid South Africa Geraldine Frieslaar, Olusegun Morakinyo, 2023-06-10 Although there have been significant strides to transform the demographics of archive and museum personnel develop new museums and heritage institutions and heritage training initiatives in post apartheid South Africa the Eurocentric model of the archive museum and heritage sector has largely remained intact Despite the euphoria around the transformation of heritage in the beginnings of post apartheid South Africa it can be argued that the transformation of heritage institutions has been superficial and cosmetic with the ideological foundation of the colonial archive and museum as well as Eurocentric modalities of heritage education remaining solid largely unmoved and under continuing challenge This is the thrust of this book which reflects on the transformation of archives and museum and heritage education in South Africa and argues for meaningful transformation of the sector through a decolonisation from its Eurocentric mooring
