Easily share photos, documents and more with a scanner featuring exclusive HP scanning technology.

Outstanding results — true to life images with up to 2400 dpi and 48-bit color for impressive photo quality at an affordable price, images are easily optimized for producing high-quality photo prints.

Capture scans from 35 mm slides and negatives using an integrated transparent materials adapter, making it easy to transform traditional slides and negatives into flexible digital image files.

Scan quickly completes a preview scan and launches scanning software; HP Instant Share button makes it easy to share photos with others, while HP Memories Disc button launches software to create photo slideshows on CD.

Use HP 3-D scanning technology to turn cherished mementos into flexible digital image files to share — documents and articles are easily converted into text that can be edited using OCR software.

Connecting to compatible PC or Macintosh computers is fast and easy using Hi-Speed USB — transfer scans at optimum speeds, access scanning software and one-button features quickly and conveniently.

Included HP Photo and Imaging software assures compatibility with all HP digital photography products — icons and menus are easy to learn and use; scan photos then store, edit and share; great for easy creative projects.
