Intelligent Automation with VMware Ajit Pratap Kundan, 2019-03-30

Use self driven data centers to reduce management complexity by deploying Infrastructure as Code to gain value from investments.

Key Features

- Add smart capabilities in VMware Workspace ONE to deliver customer insights and improve overall security.
- Optimize your HPC and big data infrastructure with the help of machine learning.
- Automate your VMware data center operations with machine learning.

Book Description

This book presents an introductory perspective on how machine learning plays an important role in a VMware environment. It offers a basic understanding of how to leverage machine learning primitives along with a deeper look into integration with the VMware tools used for automation today. This book begins by highlighting how VMware addresses business issues related to its workforce, customers and partners with emerging technologies such as machine learning to create new intelligence driven end user experiences. You will learn how to apply machine learning techniques incorporated in VMware solutions for data center operations. You will go through management toolsets with a focus on machine learning techniques. At the end of the book you will learn how the new vSphere Scale Out edition can be used to ensure that HPC big data performance and other requirements can be met either through development or by fine tuning guidelines with mainstream products. What you will learn:

- Orchestrate on demand deployments based on defined policies.
- Automate away common problems and make life easier by reducing errors.
- Deliver services to end users rather than to virtual machines.
- Reduce rework in a multi layered scalable manner in any cloud.
- Explore the centralized life cycle management of hybrid clouds.
- Use common code so you can run it across any cloud.

Who this book is for: This book is intended for those planning, designing and implementing the virtualization cloud components of the Software Defined Data Center foundational infrastructure. It helps users to put intelligence in their automation tasks to get self driving data center. It is assumed that the reader has knowledge of and some familiarity with virtualization concepts and related topics including storage, security and networking.

Getting Started with OpenVMS System Management David Miller, 2003-05-08

Getting Started with OpenVMS System Management gives new VMS system managers a jumpstart in managing this powerful and reliable operating system. Dave Miller describes the essentials of what an OpenVMS System Manager will have to manage. He defines areas of OpenVMS System Management and describes why each is important and how it fits into the larger management task. Even though some OpenVMS management concepts are unique, for instance quotas, many concepts

such as account creation have counterparts in UNIX and Windows NT So wherever possible Miller points out to his readers the parallel to other systems The book is intended as a precursor to Baldwin s OpenVMS System Management Guide and various OpenVMS documents Thus it refers the reader to other books for the detailed management steps Getting Started with OpenVMS System Management is a great introduction to the material Steve Hoffman and Dave Miller are revising for the OpenVMS System Management Guide 2E Permits experienced system managers to begin managing OpenVMS more quickly Dovetails with other Digital Press publications for easier reference by the OpenVMS manager Points you in the right direction for the complete documentation on each issue BONUS FEATURE Includes excerpts from five key DP OpenVMS books Machine Design Waterways Experiment Station (U.S.),1952 Implementing and Developing Cloud Computing Applications David E. Y. Sarna,2010-11-17 From small start ups to major corporations companies of all sizes have embraced cloud computing for the scalability reliability and cost benefits it can provide It has even been said that cloud computing may have a greater effect on our lives than the PC and dot com revolutions combined Filled with comparative charts and decision trees Impleme **Scientific and Technical Aerospace Reports** ,1991 Lists citations with abstracts for aerospace related reports obtained from world wide sources and announces documents that have recently been entered into the NASA Scientific and Technical Information Database
