My Notorious Life Kate Manning, 2013-06-06 In the end they celebrated They bragged They got me finally was their feeling They said I would take my secrets to the grave They should be so lucky Defiant and daring Axie Muldoon claws her way from the streets up to the dizzying heights of New York society But as her fame grows and her name hits the headlines her reputation as the most scandalous midwife of her time begins to threaten everything she holds dear And one crusading official will not rest until he has brought about the downfall of Madame X It will take all of Axie's cunning to save both herself and those she loves from ruin

My Notorious Life Keith Mabery, 2021-03-12 This piece of art is about my life my struggles and the way I grew up It also talks about my mental illness schizophrenia which most people are ashamed of talking about It also talks about my crushes in school and my involvement in the music industry It talks about the poverty I also had to go through as a child and the troubles with the law Of course it talks about the famous people I've met in the music industry It talks about the pain I've suffered losing a lot of friends and family over the years It also talks about how I was intelligent and very wise when it came to school work A lot of people prayed for my downfall but I'm still here after 43 years of misery This book also talks about domestic violence in my family and on how we grew as a unit People judge me and call me crazy but I ignore them I know I'm not crazy at all I'm human just like any other human being This book also talks about the mental institutions I was incarcerated in over the past 20 years This book should be an inspiration for people with mental illness and not cover it up but treat it This book also talks about the drugs I used to use and abuse in the past That was the cause of the schizophrenia This book should give people lessons to stay away from drugs alcohol and watch who you put in your circle as your friends It doesn't matter how poor or how rich you are schizophrenia could be a deadly disease If you have signs of it go get help immediately and don't hurt yourself or people around you All the love that I've had from my family was unconditional and I still couldn't understand Be yourself and trust nobody but yourself

My Notorious Life by Madame X Kate Manning, 2013-01-01 In the end they celebrated They bragged They got me finally was their feeling They said I would take my secrets to the grave They should be so lucky Axie Muldoon the headstrong daughter of Irish immigrants forced to beg for pennies as a child on the brutal streets of New York City grows up to become the most successful and controversial midwife of her time Saved from poverty by a well-meaning philanthropist Axie is sent West with her younger brother and sister But the kindness of strangers is short-lived and soon Axie returns to the city of her birth alone but determined to one day reunite her family When she is taken in by a Manhattan doctor Axie learns the craft that she will live by and later fight for She rises from the gutter to the glitter of Fifth Avenue high society and discovers that the right way is not always the way of the church or the law and that you should never trust a man who says trust me But what if that man is an irresistible risk taker with a poetical Irish soul As Axie's reputation grows she finds herself on a collision course with the crusading official who would be the righteous instrument of her downfall It will take all of her power to outwit him and save both herself and those she loves
