Gatsby Chapter Applied Practice:

Applied Practice in the Great Gatsby Francis Scott Fitzgerald, Applied Practice, Ltd, 1998 The Great Gatsby meets Alain Badiou Ursula Vooght, 2023-12-21 The subject of this book is a consideration of the usefulness of the concept of fidelity put forward by the philosopher Alain Badiou in the discussion of film adaptation Fidelity or faithfulness is primarily a consideration that emerges in relation to so called canonical texts in adaptation Fitzgerald's *The Great Gatsby* occupies a position of global recognisability and within the United States cultural mythology that has triggered strong reactions to the four Hollywood adaptations The various adaptations allow for the differing approaches to the adaptation of this novel to be meaningfully explored The film adaptations paratextual elements will be discussed in order to show how these acted as limiting lenses The strategies of the films for handling elements of Fitzgerald's prose and themes will be compared across the adaptations This will culminate in an assertion of the worth of a larger application of a Badiouian fidelity within the field

Archaeologists as Activists M. Jay Stottman, 2010 Examines the various ways in which archaeologists can and do use their research to forge a partnership with the past and guide the ongoing dialogue between the archaeological record and various contemporary stakeholders Could archaeologists benefit contemporary cultures and be a factor in solving world problems Can archaeologists help individuals Can archaeologists change the world These questions form the root of archaeology activism or activist archaeology using archaeology to advocate for and affect change in contemporary communities Archaeologists currently change the world through the products of their archaeological research that contribute to our collective historical and cultural knowledge Their work helps to shape and reshape our perceptions of the past and our understanding of written history Archaeologists affect contemporary communities through the consequences of their work as they become embroiled in controversies over negotiating the past and the present with native peoples Beyond the obvious economic contributions to local communities caused by heritage tourism established on the research of archaeologists at cultural sites archaeologists have begun to use the process of their work as a means to benefit the public and even advocate for communities In this volume Stottman and his colleagues examine the various ways in which archaeologists can and do use their research to forge a partnership with the past and guide the ongoing dialogue between the archaeological record and the various contemporary stakeholders They draw inspiration and guidance from applied anthropology social history public history heritage studies museum studies historic preservation philosophy and education to develop an activist approach to archaeology theoretically methodologically and ethically *Writing and Reading Connections* Zoi A.
