Death to Addiction Leanne Walters, 2019-08-04

What is the scariest thing you can think of For me it was overdosing at 27 years old in my friend s basement Knocked out cold alone helpless and at death s door it was the culmination of a decade long battle against my desires and addictions In the time leading up to this I had been reckless towards not only the people around me but myself and my body The addictions that had me imprisoned stemmed from simple issues like overeating on a daily basis to more extreme problems like abusing drugs in the search for that next high By the time I left high school I was already addicted to alcohol food and drugs sex completed the full cycle soon enough I was a hundred pounds overweight I underperformed at work and at home I spent my days on a high or planning the next one I had lost all hope in myself and my future I was a nobody living in an empty body I took down my mirror because I couldn t bear to look at the stranger that I saw within its depths I was killing myself yet I could not bring myself to stop the rut I made resolutions to quit on a daily basis I hated what was happening to me yet could not stop it Things came to a head when I came within a whisker of death a few weeks after my 27th birthday That near death experience saved my life and gave me a new chance to fight off my addictions I fought a winning battle and I stand here almost three decades later an expert in addiction recovery I was one of the lucky ones many people get killed or fail to live due to their addictions Addictions are something we all neglect till they become too powerful to ignore Many people wish away their addiction until it becomes too strong that it becomes their life and truth I combined my personal experience during my decade of hell and two decades of professional work helping addicts to produce Death to Addiction In this book you will learn All about your brain and why it yearns for that next hit How to spot a new and upcoming addiction from a mile away The one MAIN reason your addictions occur Why you might be addicted to alcohol without even knowing How drugs are a world of downward spirals How an eating addiction can sneak up out of nowhere Why sex addiction is more than what happens in bed How to turn into the master of yourself and perfect self discipline The amazing benefits of healthy relationships The two superpowers I used to end hundreds of people s addictions Why meditation and mindfulness are the secret weapons to success The 1 surefire way to putting death to your addiction And so much more Everyone has their fair share of addictions but nearly 90% of people with them have no idea what to do about them So they clear some space for the addictions to exist People simply choose to live with them and act like they are not there when in reality addictions are the biggest reason why they live their entire life asking themselves what if Take a moment and ask yourself this what would life have been like if I ended my addiction 30 years ago And then ask yourself What will my life look like in ten years if I don t end this addiction now Putting death to my addictions by applying the tips and strategies in this book flipped my world upside down for the better and I know it will do the same for you So do you want to make a change in your life for the better Do you want to regain control over the real you Do you want to learn how you can put an end to that addiction that s been eating away at you day in and day out Then scroll
