Going Through The Valley The Path To Destiny:

Going Through the Valley Dave osbourne,2014-11-21 Going through the Valley is a very inspiring book that speaks about our Christian walk as Children of God We can define the Valley as any place period or situation that is filled with fear gloom foreboding but at the end of our valley experiences we come out filled with love God s joy and fulfillment Valley experiences are meant to make us better and stronger in our walk with God Valleys are also places of fruitfulness It s a place where we meet with our father and maker face to face a place where we grow and become transformed to His will The valley experience is the path that leads us to our God given destiny As you read this very interesting book you will not only be challenged but will have a new perspective about the Valley why we go through valleys and the benefits of going through the valley As you prayerfully read this book the Lord is going to give you insight and revelation *The Spirit-Filled Journey* Apostolic Church of God,2012-12-14 *Struth The Bloody Truth* Iarn Pernell,2018-05-17 This book describes how we ve all been living according to a reality that exists only in our own mind s creation of what we believe to be reality It explains how the church has manipulated the purely natural human emotion of fear to instill a belief in their god Just as each different religion has their god as the only true god so too does every individual e Astrologye is a word used to describe the energies that permeate life on Earth and as once believed by now ancient civilizations that were overtaken and nearly destroyed by religion is the energy responsible for everything that manifests in life and in fact life itself For too long now man has lived under the fear of damnation in hell as a result of living against the word of the church s god which is only a creation of the church in order to preside over the minds of the masses for their own benefit Great monuments and rituals have been created by the church to give their god relevance and impress mankind to believe in a myth that exists solely for the purpose of gaining power over our mind and actions The French and Spanish Inquisitions are but one example of the total control the church almost achieved But truth cannot be changed for to do so is to manipulate the truth for your own selfish purposes Religion is in a constant state of change because religion is only a manipulation of philosophy Astrology has never changed over the hundreds of thousands of years that man has been observing the movements of the stars We are all only energy just as is the light given from the stars and energy responds to energy Thus we are all subject to a greater energy than our ego permits us to believe *The Journey To An Undefeated Mind* Yolanda Lear,2020-11-29 The Journey To An Undefeated Mind is a book inspired by myself the author s personal battle against mental health It is about all the lessons and blessings I learnt along my journey I wanted to share this with other s so that they can get through their own journey My book The Journey To An Undefeated Mind is all about the reader it is a direct conversation or speech from the author to the reader Guiding them through this journey advising them encouraging them speaking life into them when they feel low Something I didn t have around me as often as I would have liked it when I was going through my journey my battles against mental health I believe my book could be a big help to many people facing mental health whether you are facing it alone or not It s

like having a pocket size friend travel along with you Ok maybe slightly bigger than pocket size But you get what I mean How often have you had to face something and you wished you had that extra bit of help guiding you through Enough support to help you on the right path But not too much so you can learn to do it yourself This is what my book is there for That extra bit of support That motivator friend that shows you your worth Shows you that you can and always could do it You just had to start believing in yourself This is what The Journey To An Undefeated Mind is there for To get you to start believing in yourself again To get you to understand that in life you are bound to fall bound to fail a couple times But you will only be defeated if you choose to stay down if you choose to stay defeated Having an Undefeated Mind means yes in life we may fail we may take some L s but we won t be defeated in life

Prayers That

Routs Satan And Demons Olusola Coker,2020-12-17 Satan is highly interested in putting fear anxiety and discouragement into your mind and soul We re in a battle in this world and Satan is all out to destroy us so you have to be vigilant and be at alert to defeat Him The Bottom line is that you must not allow Him to win Are you a believer that is not strong enough to face Satan or you are afraid of Him Then this book you are holding will give you the boldness to overcome Satan and Demons Don t allow Satan and demons to hurt your direction Remember that God reminds us in His word to stay aware of Satan s schemes to be at alert in this world and to stay close to Him The prayer in this book is targeted towards not only defeating Satan and demons but particularly overthrowing the kingdom of darkness God has given us the sword that is the word of God to stand against the enemy s lies He equips us with strength wisdom and discernment through His own Spirit to stay strong in the spiritual warfare battle God always listens to us through prayer and worship and He gives us the opportunity to know Him more With the word of God we will be able to distinguish from what is right and wrong hence Satan will find it difficult to deceive us In this world either you like it or not every human being has a supernatural enemy from various quarters who make life unbearable for people Satan is regarded as our number one enemy The Bible calls him the devil and Satan the deceiver of the whole world the accuser Revelation 12 9 10 the ruler of this world John 12 31 and the god of this age 2 Corinthians 4 4 Satan is a Deceiver Scriptures Genesis 3 13 And the LORD God said to the woman What is this you have done The woman said The serpent deceived me and I ate Ephesians 6 11 12 Put on the whole armor of God that you may be able to stand against the wiles of the devil For we do not wrestle against flesh and blood but against principalities against powers against the rulers of the darkness of this age against spiritual hosts of wickedness in the heavenly places How Satan can Deceive Believers Satan deceives the people of God We all have our own natural desires and do you know what Satan takes advantage of that to deceive Christians Satan is very clever and knows the things that are appealing to believers In some cases Satan comes as an Angel of light with pleasant flattering words and a smile on his face and then it is very difficult for

believers not to be deceived Please note that Satan is very desperate and will continue to persist until He achieves his aims of leading people to his Kingdom so as a Christian you must be vigilant and have full knowledge of the world of God You have to make a decision today to serve God because you cannot serve both Satan and God Strategies of Satan against you Satan turns the minds of unbelievers against God so that they don't even think of worshiping the Almighty
