Russo,2018-12-07 Like the author of this book the aardvark is big slow and a bit ugly He s not a big game hunter He s not hunting for high flying stocks the pundits love talking about on financial news shows Instead the aardvark eats the easily foraged food like ants What ants are to the aardvark dividends are to his investment process They are the easily foraged returns The aardvark hunts at night alone and unafraid He s contrarian by nature and has his own unique phylum There s no other animal quite like him He has giant ears which he keeps raised to be mindful of what might go wrong while he is foraging for dividends He has big sharp claws ideal for digging deep to uncover value He works well into the night and is diligent in his search seeking his own path not following the herd on Wall Street Your Life User Manual Evan L. Wride,2018-04-30 This is a contemporary practical and relevant book about how to understand and apply the Bible in your everyday life It is a superb book filled with biblically based ways to achieve a significantly improved and healthier life It is intentionally written using ordinary everyday language avoiding dogmatic confusing and religious jargon The book is not just for Christians but anyone who desires to live a better life This is not a book about religion it is about how to effectively use the Bible to live a successful life Evan Wride is an ordinary guy who has read the Bible and uses it to manage his life He is passionate relentlessly practical and writes as if he is talking with a friend His words thoughts and perspectives are modern day heartfelt and action oriented Your Life User Manual is a real world look at the main issues we face as humans and specific ways the Bible answers them The topics are a litany of our everyday concerns setting priorities plans finances time management mental and physical health addiction love marriage children dating relationships sex career co workers making good choices our reason for being here and our individual uniqueness This is not a counseling book it is a book of Gods time proven direction for how to live productive lives Too many of us rely on ourselves others and society for wisdom and the results are less than satisfactory Going to the source for answers provides you with knowledge wisdom and purpose for your one and only life We have all contemplated that there must be more to life in order to achieve the meaning and significance we are all searching for This book will specifically direct you in how to learn to do life according to the Bible which will transform your life so you can become all you were intended to be You will discover how to live your best life Live the Life You Want with the Money You Have Vince Scully,2022-04-01 The must have money handbook that will teach a new generation how to do money Cut out your morning latte and you can be rich It s a popular view but it s hopelessly inaccurate The truth is it s not our morning coffee that s keeping us out of the housing market or preventing us from building

long term financial security We've never earned as much, owned as much, or been so highly educated, and yet millennials struggle with money more than any previous generation. Why? Because the old rules just don't work anymore. In *Live the Life You Want With the Money You Have*, Vince Scully, the founder of one of the first online financial planners, Life Sherpa, shows you 8 simple steps to financial freedom that anyone can start right away, no matter how much money they have or how much debt they're in. Readers will learn how to review their spending habits, build an emergency stash, pay off debt, choose the right insurance, save up for your first home, make investments, and plan for retirement, all while feeling free to enjoy life. If you have ever thought, "I make a good living, how come I don't have anything to show for it?" or "I'll never be able to afford a house of my own," Retirement seems so far away, I just can't think about it. Money is just too complicated. I can't make a decision. Why does this money stuff all have to be such hard work? I'm only 30, do I really need to think about all this stuff right now? Then this is the book for you.
