Michael, 2014-10-09 In the blink of an eye, a person's entire existence can change forever. At eighteen, Samantha Michael learned this in the most challenging way imaginable when she was in a severe car crash at the hands of an impaired driver. After being rescued from the accident, Samantha was comatose and barely alive. Later, as she emerged from her coma, she would come to discover that terrifying moment was not the end but the beginning, the beginning of a lifetime of challenges and changes, tribulations and triumphs. With wisdom, grace, and humour, Samantha recounts the aftermath of her injury and her personal medical and emotional struggles to win back the happiness which was taken from her. She describes the impact on her family and friends, the lasting physical trauma with which she had to struggle, the pain of deferred dreams, and the joy of eventually reclaiming her life and self piece by piece, day by day. *The Beauty of My Shadow* will pluck a range of emotional chords as the reader experiences the euphoria, hope, doubt, fear, love, and other feelings Samantha herself lived through in the days since her life was forever altered. Written candidly and from the heart, Samantha's story gives hope to those who have suffered similar trauma as well as those who are simply wrestling with the ordinary challenges of daily life. Her memoir serves as a powerful reminder of the strength and versatility of the human spirit that while adversity derails our path in life, undefeatable perseverance often helps us discover another route to take.
