Acronyms Don Philpott, 2017-12-20 Navigating government documents is a task that requires considerable knowledge of
specialized terms and acronyms This required knowledge nearly amounts to knowing a completely different language To
those who are not fluent the task can be overwhelming as federal departments fill their documents with acronyms
abbreviations and terms that mean little or nothing to the outsider Would you be able to make sense of a document that
described how the COTR reports to the CO regarding compliance with FAR GPRA SARA and FASA This is a common
procedure in government contracting Would you have any clue what was being referred to if you came across MIL STD 129P

nearly impossible But now these terms and their definitions are within reach This new edition of A Guide to Federal Terms
