Anthony Pitch, 2008-12-30 The assassination of Abraham Lincoln is a central drama of the American experience Its impact is felt to this day and the basic story is known to

all Anthony Pitch's thrilling account of the Lincoln conspiracy and its aftermath transcends the mere facts of that awful night during which dashing actor John Wilkes Booth shot Lincoln in the head and would be assassin Lewis Payne butchered Secretary of State William Seward in the bed of his own home *They Have Killed Papa Dead* transports the reader to one of the most breathtaking moments in history and reveals much that is new about the stories passions and times of those who shaped this great tragedy Virtually every word of Anthony Pitch's account is based on primary source material new quotes from previously unpublished diaries letters and journals authentic contemporary voices writing with freshness and clarity as eyewitnesses or intimate participants new images a new vision and understanding of one of America's defining moments With an unwavering fidelity to historical accuracy Pitch provides new confirmation of threats against the president elect's life as he traveled to Washington by train for his first inauguration and a vivid personal account of John Wilkes Booth being physically restrained from approaching Lincoln at his second inauguration Perhaps most chillingly new details come to light about conditions in the special prison where the civilian conspirators accused of participating in the Lincoln assassination endured tortuous conditions in extreme isolation and deprivation hooded and shackled before and even during their military trial Pitch masterfully synthesizes the findings of his prodigious research into a tight gripping narrative that adds important new insights to our national story

*Murder at Ford's Theatre* Brendan H. Egan, Jr., 2008-08-22 It was a sad generation that limped past 1865 Almost every family had been touched by death and many had been torn apart as sons brothers and fathers chose different sides in the Civil War *Murder at Ford's Theatre* is a history of an assassination with the Civil War as its tragic backdrop and with characters to match this tragedy There was Lewis Paine the devoted follower and David Herold who wanted desperately to belong and lose his reputation as an untrustworthy loafer There are tragic failures of Mary Surratt and Dr Samuel Mudd as well as Abraham Lincoln unappreciated by the public until his martyrdom Lincoln refused security and put himself in harm's way Harm came in the form of John Wilkes Booth an acclaimed actor who wanted to save his beloved South and believed there was only one way to accomplish his goal Booth had grown up with his own demons depression and odd behavior were part of his family background His darker side was hate When the war broke out Booth took up the southern cause the rest of the family sided with the North Lincoln was a perfect object for Booth's hatred He suspended Habeas Corpus put many anti war advocates in jail continued the war with its grisly pile of human deaths refused to negotiate a treaty and wrote Emancipation Proclamation Booth who had spent the war in a noncombat position at the behest of his mother received news of the end of the war with increased anger Soon it would be too late to become a hero His hasty and disorganized plan to assassinate Lincoln went awry Booth did shoot Lincoln but during his escape he broke his ankle an injury that slowed him and led to his capture and death Only the Bible has been written about more than the Civil War and the assassination of Lincoln is a part of that story This is that story

fallacies regarding each of those theories and reveals both the mastermind behind the plot and its true motivation The deadly scheme to kill Lincoln Vice President Andrew Johnson and Secretary of State William Seward was Gayle s brainchild The assassins were motivated by money Gayle raised Lots of money 20 000 000 in today s value Gayle a prominent South Carolina born Alabama lawyer had been a Unionist and Jacksonian Democrat before walking the road of radicalization following the admission of California as a free state in 1850 Thereafter he became Alabama s most earnest secessionist though he would never hold any position within the Confederate government or serve in its military After the slaying of the president Gayle was arrested and taken to Washington DC in chains to be tried by a military tribunal for conspiracy in connection with the horrendous crimes The Northern press was satisfied Gayle was behind the deed especially when it was discovered he had placed an advertisement in a newspaper the previous December soliciting donations to pay the assassins There is little doubt that if Gayle had been tried he would have been convicted and executed However he not only avoided trial but ultimately escaped punishment of any kind for reasons that will surprise readers Rather than rehashing what scores of books have already alleged *Untried and Unpunished* offers a completely fresh premise meticulous analysis and stunning conclusions based upon years of firsthand research by an experienced attorney This original thought provoking study will forever change the way you think of Lincoln s assassination
