Then Ivan Peters entered her department and her life would never be the same. Ivan Peters was orphaned at the age of eighteen. So he did the only thing he could do: he sent her away on an extended business trip. Will Ivan discover the truth about Delia's pregnancy? Will he discover the truth about himself? Will an unborn baby bring them back together again? Journey with Ivan and Delia as they work through this crisis and learn that time truly can heal.

Zara never expected to be 38, broke, and pregnant for a mysterious stranger, but finding out that said mysterious stranger had a lot of money didn't put her at ease, and she knew why. Zara Yesterday was my graduation from cosmetology school, one of my biggest achievements to date. So of course I went out to celebrate, did the teenage girl party thing where you get drunk and fuck a complete stranger. Except I am not a teenager. I am a 38-year-old woman who is broke and now pregnant with a stranger's child. Nathan, I don't do this. Normally I sleep with random girls I meet at my club. But something about this girl was different. She was witty and funny, and the best of all, she had thought I was a valet and had still been into me. One night wasn't enough, so I tracked her down, intending to have a proper first date with her, only to find out that she is less than excited to see me. The realization that I am a billionaire not only left her unimpressed, but it seems to also make her not like me. But I like her, and I want her, and I am going to fight for her.
