Our Father in Heaven William Massaquoi, 2025-08-31 Prayer is a vital lifeline for the church worldwide Prayer can be vibrant and sincere and yet fail to align with the teachings of Christ In this book William Massaquoi presents biblical teaching on prayer that is rooted in an African context Returning to the prayer that Jesus taught his disciples Massaquoi demonstrates that the Lord's Prayer is not just a beautiful piece of liturgy but also offers practical guidelines for believers in how and what to pray guidelines that are still relevant today Each chapter expounds upon a section of the Lord's Prayer bridging the gap between understanding and practice through an explanation of the text and a discussion of how it is practically applied Massaquoi reminds us that prayer is essential for renewal growth and the advancement of the kingdom but deepening our prayer lives requires more than commitment to the act itself it requires understanding and obedience

Essential W. Carl Ketcherside B. D. Lewis,2025-03-13 An overview of the life and controversial teachings of W Carl Ketcherside 1908 1989 as reflected in his journal Mission Messenger and the numerous books he published over the years Much of what Ketcherside wrote can be found in the writings of the fathers of the Stone Campbell restoration movement from which this book quotes extensively in support of his position It is significant to note that division among Christians in early nineteenth century America arose from differences in doctrinal deductions or interpretations as expressed in various creeds The Campbells proposed that such deductions referred to as opinions should never be used as tests of Christian

fellowship In the twentieth century division among Churches of Christ was and continues to be caused by differences in doctrinal interpretations as found in the various journals and other publications of each group Ketcherside argued that such doctrines should never be used as tests of Christian fellowship He based his position on scriptural premises set forth in numerous books and essays Additionally he cited the fathers of the Stone Campbell Movement as evidence that Churches of Christ had abandoned the principles of restoration and reverted to the divisiveness of early nineteenth century creedalism The shift in how Churches of Christ view doctrinal differences began in 1889 with the proclamation and publication of the Sand Creek Illinois Declaration by Daniel Sommer which he titled An Address and Declaration reversing the title of Thomas Campbell s Declaration and Address of 1809 This is a pre publication copy of The Essential W Carl Ketcherside The Ketcherside Collection of supporting documents referenced in the book has not yet been set up by the site administrator However documents referred to in the book as part of that collection may be found on Archive org listed individually by title

Finding Your Power to Be Happy: Seven Practices to Bring Unconditional Happiness into Your Life D.E.

Hardesty,2015-04-25 Learn to find the happiness that is natural to you and enjoy better relationships better health more success and a longer life The peculiar thing about us humans is we spend a lot of time working to find people and things that will make us happy In fact we seem to spend the majority of our time doing this However there is no guarantee that any of this effort will work There are lots of people who have hordes of people around them and who have lots of things but have been unable to make themselves happy The truth is happiness can be had with little effort Have you ever been happy for no reason at all Of course you have Without anything changing in life happiness just appears We see it in young children all the time In fact we expect to see it in children If you happen to ask a smiling child why he or she is so happy at best the answer may be Because For an adult this may be an unsatisfying answer but for the child it is the truth happiness exists just because As we age we seem to lose touch with happiness for no reason at all We see a world where everyone is striving for stuff striving for popularity striving striving striving The natural fount of happiness we once enjoyed disappears as we join them However that happiness is not gone All that happened is we lost our connection to it This book is about recovering that connection We all grow up believing that if we work hard and if we are good people we will enjoy good relationships with others good health success and a long life Obviously this is not true There are a lot of rich old people who are not happy What we have what we do and the other circumstances of our lives do not provide authentic happiness Instead happiness comes from inside of us and all by itself enables us to have secure relationships good health more success and longer lives So what is the secret of being happy Being happy is a little like flipping a switch When it s on you are happy and when it s off you are not It s so easy How else can you explain being happy for no reason What you need to do is learn to turn it on and keep it turned on This book discusses seven practices that help you do that There is a lot of wisdom available about how to be happy Most of it is thousands of years old but some is quite new The seven practices we will look at incorporate this wisdom to help

you learn how to turn on happiness in your life This kind of happiness does not require changing anything in your life All you have to do is learn to turn it on PROMISES OF GOD'S GUIDANCE Edward D. Andrews,2018-03-23 *Why Did Yahweh and His Son Yahshuah Say What They Said?* Dr. Justin G. Prock,2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions *The Morality of Self-Defense and Military Action* David B. Kopel,2017-02-16 Shedding new light on a controversial and intriguing issue this book will reshape the debate on how the Judeo Christian tradition views the morality of personal and national self defense Are self defense national warfare and revolts against tyranny holy duties or violations of God s will Pacifists insist these actions are the latter forbidden by Judeo Christian morality This book maintains that the pacifists are wrong To make his case the author analyzes the full sweep of Judeo Christian history from earliest times to the present combining history scriptural analysis and philosophy to describe the changes and continuity of Jewish and Christian doctrine about the use of lethal force He reveals the shifting patterns of thought in both religions and presents the strongest arguments on both sides of the issue The book begins with the ancient Hebrews and Genesis and covers Jewish history through the Holocaust and beyond The analysis then shifts to the story of Christianity from its origins through the Middle Ages and the Reformation up the present day Based on this scrutiny the author concludes that contrary to popular belief the legitimacy of self defense is strongly supported by Judeo Christian scripture and commentary by philosophical analysis and by the respect for human dignity and human rights on which both Judaism and Christianity are based *Encountering the Living God* Venner J. Alston,2023-10-10 Experience His Glory Like Never Before God created us with a supernatural capacity to interact with Him Our genetic code is uniquely wired to sense and know Him Yet many believers shy away from this experiential knowledge Clearing away the confusion prophetic leader and teacher Venner J Alston not only gives you a biblical framework for encountering God but also helps you understand your supernatural capacity to engage with the living God discern the

characteristics of true supernatural moments from heaven position yourself to experience God in deeper ways and more God desires all believers to expect and experience encounters with Him are you ready *Shalom: God's Ultimate Purpose for the World* Dae-Young Lee, 2021-06-23 What is our preconception about Muslims Do we continue to practice medical missions in a way that is no longer considered an effective means of presenting the gospel to the unreached Is our gospel message biblically balanced and firmly contextualized in the context that we try to serve There are numerous questions that we may ask ourselves when we desire to share God's love with people who are still alienated from it Christian cross cultural missions should reconsider the strategies and attitudes that no longer reflect biblical principles This book brings a lot of insightful thoughts and suggestions from the author's medical ministry experience in the Arab world to those who want to reach out to the unreached The theology of shalom enables us to deeply understand God's ultimate purpose toward the world that he created and to devote our lives to bring people to his kingdom in the humble way that Jesus has presented throughout his life on earth when he was with us This book demonstrates how Christian medical missions can be manifested in a more biblical way and can serve people who have been physically injured and emotionally broken more effectively **Evangelism and Social Concern in the Theology of Carl F. H. Henry** Jerry M. Ireland, 2015-06-01 How do evangelism and social concern relate to one another in the mission of the church How should the Old Testament's emphasis on social justice inform the praxis of modern believers Does the Bible emphasize individual salvation or does it teach a broader more inclusive concept Theologians missiologists pastors and educators have wrestled with these questions for centuries But especially since the early part of the twentieth century this debate has increasingly become a point of contention among evangelical Christians with few indications that a consensus may soon be forthcoming Yet few have offered so thorough an answer to these questions as has Carl F H Henry Henry's regenerative model of evangelism and social concern stands on the shoulders of Augustine and many others and offers what may be the best way forward This book explores Henry's thoughts on this subject and sets him in dialogue with numerous others who have written on these topics Thus it will prove a valuable resource for all interested in this topic Relovutionary Jonathon William King, 2020-09-18 RELOVUTIONARY clearly demonstrates that Jonny King has something of value to say to the church in these days I commend his book to you Jeff Crosby Publisher InterVarsity Press USA PHILOSOPHY FOR TRUE HUMAN FLOURISHING Each person without exception is desperate for flourishing Every individual hungers and aches to live an expression of the good life This compulsion inside is as automatic as it is intuitive This general human longing reflects a common drive for meaning and not just for the Christian Still most intimately know they can't entirely do life their way Whilst the majority readily confess they haven't the sufficient means or even the necessary power After all look at what happens when a global pandemic shuts down life The fact we rarely arrive at contented satisfaction becomes life's own rolling stone Do you have a present vision Are you confident of the process What about any worthwhile or ultimate goal This living challenge becomes even more practically specific for the Christian What if

someone asked you for the content of a faithful and fruitful life for Christ What would you say Now factor in these challenging and confronting cultural times How would you reply After all you sincerely love Jesus and passionately want to live for Him which means you re entirely motivated to offer something not only realistic but true But can you The good news is that in your hands contain the opening lines where RELOVUTIONARY intends to be your own personal guide Volume One introduces this idea setting the coordinates for the reader s unfolding navigation The context is huge only increasing any anticipation on this series comprehensive value This Is Your Life has been genuinely engineered for any curious reader wanting an answer to the absurdity of existence and for every genuine follower of Jesus Christ determined to live a life worthy of His calling There is no greater promise or purpose than living for Jesus no matter age stage time or place which means there should be no further reading delay WELCOME TO THE LIFE RELOVUXIONARY **Thy Kingdom Come** Jerry Huerta,Marsue Huerta,2018-12-28 Contemporary history and progressive revelation regarding the Hebraic festivals are the basis for a renovation of the traditional historicist s house and its perception of recapitulation in the book of Revelation which does not disturb the historicist s view that the papacy is the Antichrist Under this new interpretation John s use of recapitulation was modest as compared with the traditionalist s view The new view correlates the prophecies and illustrations of the seven seals with our modern day market driven society the prophetic era of the Laodicean church the autumnal festivals and the the time of the end in Daniel 8 17 The correspondence of the apocalyptic horsemen of the seven seals with the historical accounts of the Protestant s rise to prominence and their termination of the churches influence in our modern day commerce is incendiary Moreover the correspondence pertaining to autumnal festivals regarding the final judgment and the apocalyptic horsemen of the seven seals is no less provocative As is the case of all such correlations that come to light through progressive revelation they become a blessing for the sons and daughters of God and a reproof for those who walk in darkness Revelation 1 3 *WALK HUMBLY WITH YOUR GOD* Edward D.
