‘THE REAL SCRIPTURES’ OF GOD - OLD TESTAMENT James Platter,2012-11-21 Inside the covers of this book you will find the Real Scriptures of the Christian churches Many church leaders know that other

Christian churches hold to these books but they are only willing to state what they have been brain washed to believe that is about the other inferior books It isn't in the canon of scripture formed of course by the early Catholic Church at various stages and Councils from the fourth century A D therefore no one has the right to change what is in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God They would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the Catholic Church and its priests but other priests must be considered demented or apostate but they are not affected by the changes they made to the canon of Scripture over many centuries They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world So is European Christianity based in the Vatican City right about all its holy scriptures while everyone else's church scriptures are false scriptures Ethiopia it seems got most books of scripture right even with their translation into an ancient language The Real Scriptures edited by James Platter above a layman who formerly studied the scriptures for many years with the Baptist Bible Fellowship in San Dimas California in the United States but now rejects the reduced 1627 A D Version of the KJV Bible and formally learned the Greek language of the New Testament at Capernwray Missionary Fellowship Moss Vale N S W Australia under the Reverend Alan Catchpoole in 1973 *Bible Stories & Crafts: Old Testament* Mary Tucker, 2007-01-09 Bible stories from the Old and New Testaments are presented in creative ways to help children understand God's work and His presence in their everyday lives Each story is accompanied by discussion questions a memory verse and a fun craft activity *The Original Story* John Barton, Julia Bowden, 2005-07-28 The Original Story is a comprehensive and lively guide to the Old Testament offering an essential introduction for readers of all faiths and none It provides a complete course covering history archaeology geography and textual interpretation *The Kingdom of God Is among You* Gordon D. Fee, Cherith Fee Nordling, 2025-03-17 In this exciting volume a renowned New Testament scholar provides his lectures on New Testament theology and provides us a window on his approach on a variety of issues He describes the task as follows New Testament theology is the art of giving coherence to the collective witness of the twenty seven New Testament documents as they attest to the Christian faith while not sacrificing the historical particularity of any one text or author within the canon and to do this as clearly as possible and with as much consistency and unity as possible New Testament theology deals with all the New Testament We must resist the tendency to find a canon within the canon or to neglect some lesser figures in the New Testament canon New Testament theology is first of all a descriptive task i.e. we must first try to describe what is there But given our stance toward Scripture what we describe also becomes prescriptive or normative We must never forget that the writings of the New Testament are ad hoc documents written in each and every case to speak to a specific need Thus rather than careful systematic presentations of theology such as in a book or a lecture the earliest Christian theology is worked out in the marketplace as it were Therefore we must be careful not to force the New Testament

writers to answer all of our questions nor even to use our logic or thought forms excerpted from chapter 1 **Dictionary of the Old Testament: Wisdom, Poetry and Writings** TREMPER LONGMAN III, PETER ENNS, 2020-05-21 The Old Testament books of wisdom and poetry carry themselves differently from those of the Pentateuch the histories or the prophets The divine voice does not peal from Sinai there are no narratives carried along by prophetic interpretation nor are oracles declaimed by a prophet Here Scripture often speaks in the words of human response to God and God's world The hymns laments and thanksgivings of Israel the dirge of Lamentations the questionings of Qohelet the love poetry of the Song of Songs the bold drama of Job and the proverbial wisdom of Israel all offer their textures to this great body of biblical literature Then too there are the finely crafted stories of Ruth and Esther that narrate the silent providence of God in the course of Israelite and Jewish lives This third Old Testament volume in IVP's celebrated Black Dictionary series offers nearly 150 articles covering all the important aspects of Job Proverbs Ecclesiastes Psalms Song of Songs Lamentations Ruth and Esther Over 90 contributors many of them experts in this literature have contributed to the Dictionary of the Old Testament Wisdom Poetry and Writings This volume maintains the quality of scholarship that students scholars and pastors have come to expect from this series Coverage of each biblical book includes an introduction to the book itself as well as separate articles on their ancient Near Eastern background and their history of interpretation Additional articles amply explore the literary dimensions of Hebrew poetry and prose including acrostic ellipsis inclusio intertextuality parallelism and rhyme And there are well rounded treatments of Israelite wisdom and wisdom literature including wisdom poems sources and theology In addition a wide range of interpretive approaches is canvassed in articles on hermeneutics feminist interpretation form criticism historical criticism rhetorical criticism and social scientific approaches The Dictionary of the Old Testament Wisdom Poetry and Writings is sure to command shelf space within arm's reach of any student teacher or preacher working in this portion of biblical literature **The Books of the Old Testament in Your Palm** Ayuba Mshelia, 2022-11-30 The book is about introductions to the books of the Old Testament of the Bible which is a compendium of God's divine Message to mankind that is uniquely written by forty divinely select people as His spokesmen How many of these forty select men wrote the Tanakh or the Old Testament This synopsis is a guide to the types of questions asked in writing this book Who for example is the author of the Torah or the Pentateuch Are all the books written by one person Or are there others What are the themes and purposes of each book Does the difference in the arrangement and number of books between the original Hebrew Tanakh and our Old Testament make any difference to its being canon or faith What are the books of the kingdoms Why don't you see such titles in the Old Testament What are the themes of some of the poetical books For instance why do good and righteous people suffer and the ungodly prosper Does God care How was the first ancient attempt of a holocaust foiled by Hadassah also known as Esther a beautiful Jewish orphan who became the queen of King Ahasuerus of Persia What happened to the culprit Why was the four hundred year period of the judges the most ungodly and apostate in Israel's history

Why was the Davidic covenant threatened by Bathsheba's marriage and Absalom's insurrection? What is your take on Daniel's seventy weeks prophecy (Dan 9:24)? What does the phrase seven weeks and threescore and two weeks mean to you as used in Daniel's prophecy? What about A time, times and a half (Dan 12:7) appearing in Daniel's prophecy? What does Ezekiel's vision about the valley of the dry bones coming to life mean to Israel and to you as a believer? The Old Testament begins with the story of creation and life but ends in Malachi 4:6 with a divine threat of a curse. Are you free from that curse as an individual or still under it? These are the many compelling and poignant questions laboriously dealt with in the book **Luther League Review**, 1920
