

Native American Tribe Research

Name: _____ Tribe: _____

Part I: Expository Essay

You will be writing an expository essay about a Native American Tribe of your choice. An expository essay is essentially a research paper. For your paper you will be creating an investigating question about your specific tribe. Below you will find some examples of investigating questions. We will be doing presentations on Monday, September 15th. During this time, everyone will be sharing their essays and their presentation materials.

Due Dates

- Rough Draft - Friday, September 5
- Final Draft - Monday, September 15

Formatting

- Title
- 12 pt. font (Calibri or Times New Roman)
- Double spaced
- Citations (May use generator: <https://www.easybib.com/>)
- Must be at least five paragraphs in length (5 sentences per paragraph)
- May not be more than 4 pages in length

Investigating Questions

These are some questions you can use to help guide your research. It's up to you to decide what aspects of the tribe to focus on!

- What role did women/men play in your tribe?
- How did members of your tribe find their basic needs (food, water, shelter)?
- What rituals for birth/death were there in your tribe?
- Who is a famous leader from your tribe? What were they known for?
- What happened to your tribe? Are they still around today?
- What weaponry was used in my tribe? What was it used for?
- What was religion like in your tribe?

Remember, speak to me if there's something else you'd like to research! ☺

Native American Research Paper:

Native Americans, Crime, And Justice Marianne O. Nielsen, 2019-03-13 The historical involvement of Native peoples within the criminal justice system is a narrative of tragedy and injustice yet Native American experience in this system has not been well studied Despite disproportionate representation of Native Americans in the criminal justice system far more time has been spent studying other minority groups Nat

Native American Architecture Peter Nabokov, Robert Easton, 1990-10-25 For many people Native American architecture calls to mind the wigwam tipi iglu and pueblo Yet the richly diverse building traditions of Native Americans encompass much more including specific structures for sleeping working worshipping meditating playing dancing lounging giving birth decision making cleansing storing and preparing food caring for animals and honoring the dead In effect the architecture covers all facets of Indian life The collaboration between an architect and an anthropologist Native American Architecture presents the first book length fully illustrated exploration of North American Indian architecture to appear in over a century Peter Nabokov and Robert Easton together examine the building traditions of the major tribes in nine regional areas of the continent from the huge plank house villages of the Northwest Coast to the moundbuilder towns and temples of the Southeast to the Navajo hogans and adobe pueblos of the Southwest Going beyond a traditional survey of buildings the book offers a broad clear view into the Native American world revealing a new perspective on the interaction between their buildings and culture Looking at Native American architecture as more than buildings villages and camps Nabokov and Easton also focus on their use of space their environment their social mores and their religious beliefs Each chapter concludes with an account of traditional Indian building practices undergoing a revival or in danger today The volume also includes a wealth of historical photographs and drawings including sixteen pages of color illustrations architectural renderings and specially prepared interpretive diagrams which decode the sacred cosmology of the principal house types

The Urban Indian Experience in America Donald Lee Fixico, 2000 As the first ethnohistory of modern urban Indians this perceptive study looks at Indians from many tribes living in cities throughout the United States Fixico has had unparalleled access to Native Americans particularly their contemporary oral tradition Through firsthand observations interviews and conventional historical sources he has been able to assess the major impact urbanization has had on Indians and see how they have come

to terms with both the negative and enriching aspects of living in cities The result is an insightful and empathetic account of how Indian identity is sustained in cities Today two thirds of all Indians live in cities Many of these urban Indians are third or fourth generation city dwellers the descendants of those who first came to urban areas during the federal government s push for relocation from the late 1940s through the 1960s Fixico looks at both groups of urban Native Americans those who first settled in cities some fifty years ago and those who have grown up there in the past thirty years and finds in their experiences a record of survival and adaptation Fixico offers a new view of urban Indians one centered on questions of how their modern identity emerges and perseveres He shows how the corrosive effects of cultural alienation alcoholism poor health services unemployment and ghetto housing are slowly being overcome particularly since the 1970s After fifty years of urban experiences Native Americans living in cities are better able today than at any other time to balance tradition and modernity
