- **What's the deal with the "new" *Star Trek*?**

As mentioned in the August report received from the State of Nevada, the authors provided an initial response to the challenges that existing state and other electric utility programs, including state participation, state ownership and other state involvement could present for programs of other states. (The state that is given the opportunity to participate in the program is given the opportunity to participate in the program.)

- **“Global” research in management: How to do it?**

As a consequence, the village was used as a base to launch the insurgency in the region, including other neighbouring border parishes, and spread south to Fula. The military then, after Amadi's death, killed 100 people, and a few parishes in the area were burned down, and the Amadi's clan killed and the houses set on fire and burnt.

- What are the advantages of creating a new group? What are the disadvantages?
