The Editor ,1922 **Notes from a Wayward Son** Andrew G. Walker,2019-11-08 This miscellany puts readers around the table with a teacher who has provided the church with wisdom and passion and introduces a new voice to the ongoing conversation about the relationship between the gospel and culture Andrew Walker s ecclesial intelligence and broad interdisciplinary approach to theology and sociology will undoubtedly capture the imagination of many who are curious about the church s mission in the modern West Notes from a Wayward Son represents a broad sampling of Walker s writings from a distinguished forty five year career from explorations of Pentecostalism and Charismatic Renewal to Eastern Orthodoxy C S Lewis and Deep Church from the impact of modernity on the ecclesia to mission and ecumenism in the West today In a world and a church often driven by the latest fashions Walker s is a voice to which we will want to listen *The Bond of the Furthest Apart* Sharon Cameron,2017-04-10 In the French filmmaker Robert Bresson s cinematography the linkage of fragmented dissimilar images challenges our assumption that we know either what things are in themselves or the infinite ways in which they are entangled The bond of Sharon Cameron s title refers to the astonishing connections found both within Bresson s films and across literary works by Tolstoy Dostoevsky and Kafka whose visionary rethinkings of experience are akin to Bresson s in their resistance to all forms of abstraction and classification that segregate aspects of reality Whether exploring Bresson s efforts to reassess the limits of human reason and will Dostoevsky s subversions of Christian conventions Tolstoy s incompatible beliefs about death or Kafka s focus on creatures neither human nor animal Cameron illuminates how the repeated juxtaposition of disparate even antithetical phenomena carves out new approaches to defining the essence of being one where the very nature of fixed categories is brought into question An innovative look at a classic French auteur and three giants of European literature *The Bond of the Furthest Apart* will interest scholars of literature film ethics aesthetics and anyone drawn to an experimental venture in critical thought **The Editor; the Journal of Information for Literary Workers** ,1922 *Mounting Evidence* Paul W.
