

Summary of Kierkegaard

- We got through 1-7 of the summary questions on canvas yesterday
- The reading is basically about personal experience of Abraham
 - What did he feel as a father, as a solitary individual?
 - His experience is so unrelatable and horrifying
 - His story makes us think about faith and morality
- Goal of writing: Kierkegaard's self discovery / self-revelation
 - NOT A SYSTEMATIC theory
 - An examination of human capabilities
- Knowing you have the capability to be faithful, how are you going to respond to that capability?
- He emphasizes imagination / experimentation about this story for the sake of insight about existential issues

What are existential issues of Abraham's story?

- What is the difference between reason and faith?
- Faith is about giving up everything for someone you love
 - Faith is about passion
 - About being absurd
- Keyword: absurd
 - Believing in strength of the absurd
 - Abraham shows us absurd faith
 - He's not just resigned to what God wants
 - Abraham is unique for his joy afterwards: never loses trust in God after this ordeal
 - This joy sets him apart from the usual believer
 - He is able to give up temporal good (his son) and respond with joy when he's allowed to keep Isaac: this is a sign he has faith to the point of absurd
- Reason is antithesis of passion
 - Philosophy is all about reason
- Explores this at great length at the end when he talks about Hegel

Dialectic of faith

- Resignation : letting go of control
 - Even if things seem absurd, have infinite faith
 - Resignation lets us understand something that's always there
 - We're not in control of everything
 - We depend on God as source of life and power
 - This gives you a specific humility that nothing else can give you
 - Life's extremities show you that there's only so much you can control despite your intentions and efforts
- Faith
