

RETIREMENT REPORT

Your Guide to a Richer Retirement Volume 11 Number 1 • January 2017 • \$6.95

Despite the growing popularity of Medicare Advantage plans, the private insurance programs have increasing criticism.

The Disadvantages of Medicare Advantage

Problems include costs to employers, service denials and slow care approvals

PEOPLE HAVE HEARD THAT MEDICARE Advantage plans—until they don't consider the case of Rose L. Kappella, who was the first doctor to leave a plan that was supposed to provide care for her 92-year-old mother but told her son that she could not.

After getting KIPRA for Kappella's mother, Rosemary Kappella was hospitalized with a cancer heart attack. "The health plan kept saying it was a

slow down that," says Kappella in a January 16 "The Good News and Bad News" interview. "The first time I was hospitalized, they were there within a year and a half. Especially for Medicare Advantage insurance... I don't see the future for a health facility that could keep patients' health. That's really terrible and the insurance company's refusal to pay would be a real problem for us."
