**Memoirs of an Amnesiac** Oscar Levant, 1989 **Shattered** A. E. Hayes, 2017 You've been captive far too long she whispered So I'm releasing you The universe was bathed in white light and as I touched the azure and ruby stars dancing above my head the crack within me split and fractured into madness I felt the shatter But I was powerless to stop it Shattered features a mixture of nonfiction and creative nonfiction stories about Hayes' real life experiences with a traumatic brain injury that caused retrograde amnesia as well as the events prior to and following the event However is the internal shatter she experienced really due to the amnesia or due to something else That is what Shattered aims to reveal

Marcus, 2016-01-14 Schoenberg is often viewed as an isolated composer who was ill at ease in exile In this book Kenneth H Marcus shows that in fact Schoenberg's connections to

Hollywood ran deep and most of the composer's exile compositions had some connection to the cultural and intellectual environment in which he found himself. He was friends with numerous successful film industry figures including George Gershwin, Oscar Levant, David Raksin, and Alfred Newman, and each contributed to the composer's life and work in different ways, helping him to obtain students, make recordings of his music, and arrange commissions. While teaching at both the University of Southern California and the University of California Los Angeles, Schoenberg was able to bridge two utterly different worlds: the film industry and the academy. Marcus shows that alongside Schoenberg's vital impact upon Southern California Modernism through his pedagogy, compositions, and texts, he also taught students who became central to American musical modernism, including John Cage and Lou Harrison.

*Memoirs Of An Amnesiac* James Yarker, Graeme Rose, 2020-01-27. Eric Smith is an Erik Satie-obsessed loner who sets up a museum to his musical hero in his Birmingham bedsit. He guides his audience through the treasures he has gathered. The audience watch as his grasp on reality weakens, and this one-act play concludes with Smith pretending to be Satie, pretending to be Socrates, drinking hemlock. This volume contains original production photographs and programme notes, plus a conversation about the making of the play by founder members of Stan's Cafe theatre company. Graeme Rose and James Yarker.

**Elements of Wit** Benjamin Errett, 2014-10-07. Got wit? We've all been in that situation where we need to say something clever but innocuous, smart enough to show some intelligence without showing off something funny but not a joke. What we need in that moment is wit: that sparkling combination of charm, humor, confidence, and most of all, the right words at the right time. *Elements of Wit* is an engaging book that brings together the greatest wits of our time and previous ones, from Oscar Wilde to Nora Ephron, Winston Churchill to Christopher Hitchens, Mae West to Louis CK, and many in between. With chapters covering the essential ingredients of wit, this primer sheds light on how anyone, introverts, extroverts, wallflowers, and bon vivants, can find the right zinger, quip, parry, or retort, or at least be a little bit more interesting.
