Intrapreneurship Handbook for Librarians Arne J. Almquist, Sharon G. Almquist, 2017-01-16 Do you have a great idea for an innovation in your library From idea to execution this book provides the information necessary to help you to become an intrapreneurial star at your library Have you ever presented an idea to your boss and had it so firmly rejected that you never want to suggest anything again Do you feel locked into a rigid hierarchy where bureaucracy has strangled all innovation Are you motivated to shake things up in your organization to improve it but are afraid of drowning in the waves you ll create This book explains how any individual can be an effective change agent in his her library addressing topics such as getting started handling difficult situations creating partnerships both within and outside of your organization cutting through bureaucratic red tape and maintaining momentum with initiatives Written by librarians who are both experienced entrepreneurs intrapreneurs Intrapreneurship Handbook for Librarians How to Be a Change Agent in Your Library explains what being a library intrapreneur is all about being empowered to find innovate ways to increase impact grow resources and develop new methods of leveraging the skills and perspectives of librarianship to enable the survival of libraries all while enjoying your job more The chapters guide readers through the intrapreneurial process from writing a plan and selling it to administrators and other stakeholders to securing funding for the idea and actualizing the plan and answers tough questions such as How do I let my clients know what my library can offer How do we compete with the Internet and How do I gain support for our services in a time of budget cuts This book will be a priceless resource for all librarians regardless of experience level or type of library as the principles and guidelines described are universal

Winning Opportunities Raphael H. Cohen, 2012-04 This book finally gives innovators an alternative to the painful writing of business plans Not only an alternative but also a more effective faster and easier way to convince investors and decision makers the Opportunity Case is a more user friendly way of analyzing and presenting a project which has been quickly adopted by many multinational corporations public sector organizations as well as start ups It also addresses a central problem in existing businesses many people have good ideas but very few of these innovations are actually implemented The content of this book proposes the first practical process that has been demonstrated to boost innovation by up to 56% Winning Opportunities presents the IpOp Model that outlines in a very concrete and down to earth way the core process of innovation that successful entrepreneurs and intrapreneurs use even unconsciously The model acts as a simple hands on guide for innovators who want to increase their chances of success This structured and user friendly roadmap helps innovators turn an idea into a tangible opportunity outline measurable deliverables learn how to address all the key issues critical to the success of their project and identify early in the process whether an opportunity is worth pursuing To illustrate its concepts a large number of real life examples are included as inspiration to the reader Nespresso s

strategy is used throughout the book to demonstrate each key step of the IpOp Model It is the first time in print one can read about the strategy that shaped the fascinating success story of Nespresso a 3 billion business with double digit annual growth Both Nespresso and the IpOp Model were developed in Switzerland which was recently ranked No 1 in innovation worldwide Besides helping start up initiators the IpOp Model as best practice for innovation improves and complements the existing selection of innovation processes used by large organizations staged gate six sigma etc Since learning is easier when emotions are included in the process each chapter is preceded by a joke illustrating its serious content The author Prof Raphael H Cohen took advantage of his 30 years experience as serial entrepreneur active CEO and business angel to write this book to encapsulate some of the key messages he has been teaching in top business schools and corporate environments since 2001 He is a keynote speaker and an expert in both professional agility and weapons of mass innovation Besides his responsibility as academic director of MBA programs he provides executive education mentoring consulting and management services for senior executives bankers directors and entrepreneurs He serves on the board of directors of several companies including a Swiss bank and is a regular contributor to several business publications He obtained his Ph D in Economics in 1982
